

CITY OF WHEATLAND

CITY COUNCIL MEETING STAFF REPORT June 13, 2023

SUBJECT: FISCAL YEAR 2023-2024 PROPOSED OPERATING BUDGET, REQUEST FOR INPUT AND DIRECTION

PREPARED BY: Steve Wong, Finance Director

Recommendation

Provide input and direction to staff regarding the proposed Fiscal Year (FY) 2023-2024 Operating Budget. Direct staff to bring back a final proposed budget for adoption at the June 27, 2023 City Council meeting.

Background/Discussion

The City Council adopts an annual budget for City government operations no later than June 30th for the upcoming fiscal year that begins on July 1st. The attached proposed FY 2023-2024 Operating Budget has been prepared with input from all City Departments and the City Manager.

In developing the budget, staff analyzed existing service levels and potential services, considering priorities and financial constraints, and made modifications accordingly. The budget includes all City funds except for fiduciary funds that the City holds as a trustee and cannot be used to fund City programs.

General Fund

The proposed General Fund budget projects FY 24 Net Income \$187,851. There are no anticipated capital purchases. Service levels will remain at FY 2022-2023 levels. A transfer of \$65,431 from the General Fund to the Gas Tax Fund will provide additional funding for road maintenance projects. Transfers to the City's two Landscape and Lighting Districts fulfills the City's requirement to fund a portion of the maintenance costs.

An Operating Reserve of 40% of the operating budgeted expenses is maintained. As in prior years, a Contingent Sales Tax Reserve is set aside. And the Vehicle and Technology Replacement reserve created last year is continued. Projected FY 2023-2024 General Fund reserves are:

| | FY 2022-2023 | FY 2023-2024 |
|------------------------------|--------------|--------------|
| Insurance Reserve | \$30,000 | \$30,000 |
| Contingent Sales Tax Reserve | 401,858 | 401,858 |
| Operating Expenses Reserve | 1,053,902 | 1,055,162 |
| Vehicle & Technology Replace | 100,000 | 200,000 |
| Unreserved | 225,733 | 625,315 |
| TOTAL | \$1,811,493 | \$2,312,335 |

In FY 2023-2024 it is projected that 75.5% of total General Fund revenue will be from taxes, and of this amount, 92% comes from property tax and sales tax. Property tax and sales tax revenues are projected to increase 5% in FY 2023-2024.

Personnel

A merit increase for all eligible employees has been included in the budget. The proposed budget includes an inflationary allowance to serve as a placeholder pending the completion of negotiations between the City and its employee units on successor memoranda of understanding with units.

An additional Plant Operator is allocated to the Public Works team, serving the Public Works, Parks, Water and Wastewater departments.

Special Revenue Funds

The Street Maintenance (Gas Tax) Fund and the Transportation Development (TDA) Fund will be used for street projects that will be brought to Council during the year. The Economic Development Fund includes \$41,500 for ongoing economic development consulting and planning and management for the City's Sesquicentennial.

The Lighting and Landscape Districts and the Community Facility District Funds reflect normal operating revenue and expenses. Pumpkin Farm revenue is projected to be higher than FY 2023 reflecting increased activity.

There are no revenues projected in the City's Impact Fee Funds due to the uncertainty of future building activity. All other Special Revenue Funds have minimal revenues and expenses.

Enterprise Funds

Revenues in the City's Water and Wastewater Funds cover the projected and proposed maintenance and operation costs, annual debt service obligations and maintenance of a prudent reserve. While operating revenues and expenses are stable, there is still a lack of adequate reserves to pay for necessary future infrastructure maintenance and replacement. It is anticipated that adoption of the currently in-process study of water and sewer rates will provide the funding for the necessary infrastructure maintenance and replacement in these two funds.

Alternatives

Direct staff to modify the proposed budget.

Fiscal Impact

The proposed budget establishes appropriation limits for all operating funds of the City as shown in the budget document.

MESSAGE FROM CITY MANAGER

June 13, 2023

Honorable Mayor and Members of the City Council

Subject: Fiscal Year 2023-24 Annual Operating Budget

Attached for your consideration is the Proposed Annual Operating Budget for the 2023-24 fiscal year (FY). The General Fund portion of this budget anticipates having year-end Economic Contingency and Unreserved fund balance reserves of \$2,312,335 including \$1,055,162 for the Council's fiscally responsible goal of 40% of operating expenses, a Contingent Transaction Tax reserve of \$401,858, a \$200,000 vehicle and technology replacement reserve, a \$30,000 self-insured retention reserve and a \$625,315 undesignated reserve. The levels of service to the citizens of Wheatland will remain the same as last year. This budget includes funding to provide a merit increases to eligible employees as well as an anticipated adjustments related to bargaining negotiations.

The FY 2023-24 budget maintains a basic Operating & Maintenance program at the level experienced by the City for the past five years. Economic indicators are mixed, with overall economy affected by inflation and changing interest rates. The City has prepared this year's budget using current inflationary data.

Revenues

General Fund revenues are projected to be slightly higher than anticipated revenues in FY 2022-23. This slight increase is due to anticipated increases in economically driven sources (property tax / sales tax / etc.) offset by a reduction in the one-time receipts of excise taxes.

The City was notified in May 2022 that an audit of property tax distributions by the State revealed Wheatland had been overpaid over the past five (5) years. The city anticipates paying this money back over a commensurate period of time. The correction for the current fiscal year impacts the projected growth in property tax revenue.

Sales and transactions tax revenues are projected to grow at 5%. These increases reflect current market conditions. The local Wheatland ½ cent voter-approved transactions sales tax revenue, originally scheduled to expire on March 31, 2021, was extended by voters until March 31, 2031. This revenue has helped to maintain fiscal stability and current service levels.

Personnel

This budget maintains the level of sworn staffing for police protection services at four officers (including one school resource officer), two corporals, one sergeant, and the chief.

An additional Plant Operator is allocated to the Public Works team, serving the Public Works, Parks, Water and Wastewater departments.

The Senior Accountant position has been increased from 0.675 FTE to 0.85 FTE while the Finance Director position is decreased from 0.675 FTE to .600 FTE.

Capital Projects

It is anticipated the Comprehensive Drinking Water project will be completed in this fiscal year. The wastewater regionalization project continues to move forward, a major step in planning for Wheatland's future. The 2023 Pavement Maintenance program will be completed in this 2023-24 fiscal year.

American Recovery Act Plan (ARPA)

The City received its full allocation of funding in the 2021-22 and 2022-23 fiscal years. Most of these funds will be expended by the end of the 2022-23 fiscal year. Based on federal regulations, Wheatland's ARPA allocation has been classified as General Fund revenue replacement.

Enterprise Funds

Revenues in the City's Water Fund cover the projected and proposed maintenance and operation costs, annual debt service obligations and maintenance of a prudent reserve. While operating revenues and expenses have stabilized, there is still a lack of adequate reserves to pay for necessary future infrastructure maintenance and replacement. The City's Wastewater Fund will continue to see a decline in Net Position and there are no reserves to pay for future infrastructure maintenance and replacement. It is anticipated that adoption of the currently in-process study of water and sewer rates will provide the funding for the necessary infrastructure maintenance and replacement in these two funds.

Conclusion

Our City is committed to strong fiscal stewardship, transparency and accountability over taxpayer dollars. Working together, the City Council and City staff ensure our budget and financial policies reflect spending consistent with the community's priorities.

Through prudent fiscal control, the City of Wheatland continues to maintain essential quality of life services to its citizens at an acceptable level while maintaining a General Fund reserve that meets the Council's fiscally prudent targets for reserves. However, General Fund revenues are still subject to many underfunded state mandates and decisions made at the State and Federal level that could have significant negative impacts. Water and Wastewater cash reserves are limited and are not sufficient to pay for necessary infrastructure needs. This proposed budget reflects prudent fiscal control for the coming year.

Respectfully submitted,

Jim Goodwin

Jim Goodwin, City Manager

RESOLUTION NO. XX-XX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WHEATLAND ADOPTING THE ANNUAL BUDGET, CONTROL POLICIES AND APPROPRIATIONS LIMIT FOR FISCAL YEAR 2023-24

WHEREAS, the City of Wheatland's Proposed Budget for fiscal year 2023-24 reflects the financial plan necessary to meet the City's needs in the coming year; and,

WHEREAS, the City Council of the City of Wheatland recognizes the need to continue to implement and enforce budget control policies.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Wheatland as follows:

- 1. That the foregoing statements are true and correct.
- 2. That the City of Wheatland's 2023-24 proposed budget is hereby adopted as the City's operating budget for fiscal year 2023-24.
- 3. That the following sums of money are hereby appropriated from the revenue of the City of Wheatland for activities of the City during the 2023-24 fiscal year.

| \$2,637,905 |
|-------------|
| 2,660,475 |
| 839,607 |
| 2,752,964 |
| \$8,890,951 |
| |

- 4. That the City will strive to maintain a balanced budget during fiscal year 2023-24. A balanced budget is defined as:
 - a. Operating revenues should equal or exceed operating expenditures and debt service obligations.
 - b. Ending fund balances (or net position in the enterprise funds) should meet or exceed minimum levels. For the General Fund, the minimum level has been established at 40% of operating expenditures. For the Water and Wastewater Funds, the goal is established at 25% of operating expenditures.
 - Expenditures can exceed revenues in a given year only when beginning fund resources are used to fund capital improvements or other "one-time," non-recurring expenditures.
- 5. The City Council may amend the budget at any time after its adoption by a majority vote of the Council members.
- 6. The City will prepare and issue interim financial reports on the City's fiscal condition to the City Council and staff as may be required or prudent.
- 7. Each City department manager is charged with monitoring budgets that are under his/her responsibilities and controlling and limiting costs to stay within adopted budget amounts. The adopted budget is to be administered on a "department total" basis and not a line-item basis. If for some reason City service levels cannot be maintained utilizing the adopted budget amounts, a budget amendment proposal to the City Council will be requested prior to a department manager exceeding the original adopted budget amount.
- 8. Interfund Transfers and Loans. The City has established various special revenue, capital project and agency funds to account for revenues and deposits whose use is restricted to certain activities. Each fund exists as a separate accounting entity from other funds, with its own revenue sources, expenditures and fund equity.

Anticipated transfers between funds for operating purposes are defined in the adopted budget and can be made by City staff in accordance with the adopted budget. These transfers are distinctly different from interfund borrowings, which are usually made for temporary cash flow reasons. From time-to-time, interfund borrowings may be needed and are approved by the City Council as follows: The Director of Finance is authorized to approve temporary interfund borrowings for cash flow purposes whenever the cash shortfall is expected to be resolved within 60 days. A common example of interfund borrowing needs under this policy is for grant programs where costs are incurred on a reimbursement basis.

Any other interfund borrowings for cash flow or other purposes require case-by-case approval by the Council.

The funding of development entitlement processes will be from deposits received in advance of the City incurring costs. Both City staff and outside consultants are charged with coordinating the funding of these tasks to assure that deposits are received prior to incurring costs.

- 9. Assets acquired with a unit cost in excess of \$10,000 and a useful life of three or greater years will be capitalized as property or equipment.
- 10. Pursuant to Article XIIIB of the California Constitution, the appropriations limit for the City of Wheatland for fiscal year 2023-24 is hereby established as \$6,477,486. The factors used to calculate the 2023-24 appropriations limit are the percentage change in California per capita personal income of 444% and the percentage change in the City of Wheatland population of 4.55%.

PASSED AND ADOPTED by the City Council of the City of Wheatland on the 27th day of June 2023 by the following vote:

AYES: NOES: ABSENT: ABSTAIN: ATTEST: Rick West, Mayor

Lisa J. Thomason, City Clerk

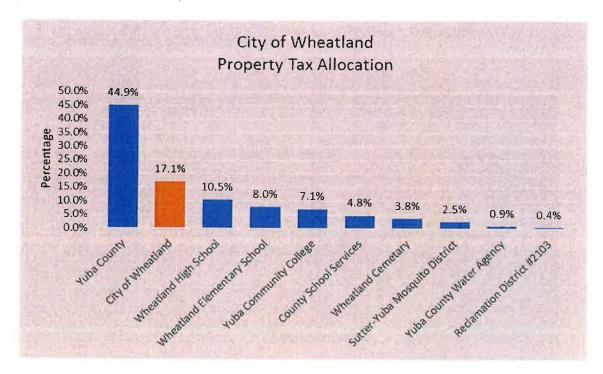

BUDGET OVERVIEW

BUDGET PROCESS

The City Council establishes an annual budget for City government operations that begins with a July 1 fiscal year. Budgetary control is legally maintained at the fund level. Department heads submit budget requests to the City Manager and Finance Director. The Finance Director prepares an estimate of revenues and prepares recommendations for the next year's budget. After approval by the City Manager, the preliminary budget is presented to the City Council who may or may not make amendments. The budget is adopted by resolution by the City Council on or before June 30th in accordance with the municipal code. In developing the annual budget, City departments analyze existing service levels and potential services considering priorities and financial constraints and modify their proposed budgets accordingly. The operating budget summarizes planned expenditures and revenues for all City funds. General Fund expenditures are separated into departments that reflect the various activities paid for with General Fund revenues.

BUDGET HIGHLIGHTS

- 1. The Economic Uncertainty Reserve remains at 40% of General Fund expenses (\$1,082,595).
- 2. Property taxes are projected to increase 5%. Although there has been some new home construction in the last two years and it is anticipated that new homes will be built in FY 2023-24, the property tax estimate remains conservative until such a time as the actual amount of new homes built is known. The percentage of property tax revenue received from every dollar of property tax paid by Wheatland citizens is slightly over 17 percent (see chart below).

- 3. The City Manager and Public Works Director positions are budgeted at 75%; and the Finance Director position is budgeted at 60% for FY 2023-24. The Police Department School Resource Officer is maintained and a plant operator has been added to the Public Works department.
- 4. Employee merit increases and an estimated amount related to an anticipated cost-of-living increase have been included in all departments as the City continues to negotiate a successor memorandum of understanding with employee bargaining units.
- 5. This budget includes funding for expenditures associated with the City's Sesquicentennial planning and management, design of a regional sewer connection line to replace the existing treatment plant, continuation of economic development activities, completion of the Comprehensive Drinking Water project, Fire Station 1 improvements and completion of the 2023 Pavement Maintenance project.

COMMUNITY PROFILE

The City of Wheatland operates under a Council-Manager form of government and provides essential city services that includes public safety, public works, parks and recreation, planning services, water and wastewater services, and general administration.

The City, incorporated in 1874, is one of two incorporated cities in Yuba County. It is nestled at the northeastern edge of California's vast Sacramento Valley, 34 miles north of Sacramento, 107 miles northeast of San Francisco and 417 miles northwest of Los Angeles. With a population of approximately 3,664 in a 42.2 square-mile area, Wheatland is valued by its residents for its small-town atmosphere and rural setting.

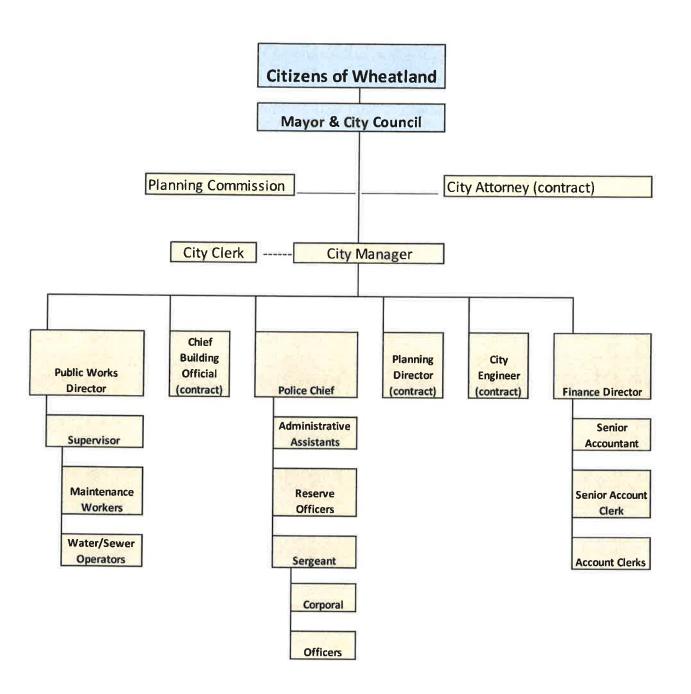

The City Council consists of five members, elected atlarge to four-year overlapping terms. Council members must be residents of the City. The position of Mayor and Vice Mayor are chosen by the City Council. The Mayor conducts the Council meetings and represents the City on ceremonial occasions.

The City Council serves as the policy board for the municipality. As elected officials, the City Council provides policy direction, establishes goals, and sets priorities for the City government. In addition to serving as the policy makers for the community, the City Council is also responsible for numerous land use decisions within its borders in accordance with the General Plan and the Wheatland Municipal Code. The City Council appoints the City Manager, City Attorney, and all members of advisory boards and commissions.

ORGANIZATIONAL CHART

All Funds Summary

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Wheatland, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related requirements.

CITY OF WHEATLAND
Fiscal Year 2023-2024
All Funds Summary

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Wheatland, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related requirements.

CITY OF WHEATLAND Fiscal Year 2023-2024 General Fund City Council

The City Council is the elected policy-making body for the City of Wheatland. It is comprised of five members elected at-large who serve four-year overlapping terms. The Council members receive a monthly stipend for their services. The Mayor and Vice Mayor are elected by the City Council from among its members. Expenses include the annual cost of membership in the League of California Cities.

CITY OF WHEATLAND Fiscal Year 2023-2024 General Fund Administration

Administration accounts for City Manager and City Clerk costs. The City Manager is responsible for implementing the policy direction of the City Council, enforcing all laws and ordinances enacted by the City, and managing all personnel and contractors providing services to the citizens of Wheatland. The Clerk serves as a liaison and primary point of contact for the City Council, City departments and the public regarding the legislative history and operations of the City. The City Clerk is the local official for elections, the Political Reform Act, the Maddy Act, the Public Records Act, and the Brown Act. Before and after the City Council takes action, the City Clerk ensures that actions relating to, but not limited to, Agendas, Ordinances, Resolutions, Minutes, and Agreements are in compliance with all Federal, State and local statutes and that all actions are properly executed, recorded and filed. The City Clerk is responsible for maintaining the official records of the City. The City Clerk maintains custody of and affixes the City Seal to legal documents and administers the Oath of Office to newly elected Council members and appointed Commissioners. Administration Department expenses include legal services provided under contract by Bartkiewicz, Kronick & Shanahan and the General Fund portion of liability insurance as provided by CIRC (an insurance pool for local government).

CITY OF WHEATLAND Fiscal Year 2023-2024 General Fund Finance

The Finance Department provides internal support to the City Council and other City Departments and external support to other government agencies and stakeholders by providing financial information to facilitate their decision-making process. Expenses include the cost of the annual financial audit performed by an independent certified public accounting firm.

CITY OF WHEATLAND Fiscal Year 2023-2024 Sewer Collection Impact Fee (Fund 121000)

This fund accounts for the fees collected on new development to construct or reconstruct sanitary sewer collection lines and remove five existing lift stations no longer needed. In 2006 through 2008, the City received \$7,007,000 in prepaid Sewer Collection Impact fees from three developers in exchange for sewer credits on future development. In 2020, a development agreement for \$3,129,000 of the prepaid impact fees expired. In FY 2009 the City entered into reimbursement agreements with two developers totaling \$2,492,067 to fund a portion of Bear River Levee improvements. A portion of any future single-family unit building permits obtained by the two developers will be used to reimburse the Sewer Collection Impact Fund along with interest that has accrued since 2009. In addition to the Bear River reimbursement agreements, the unpaid share of the Highway 65/Main Street signal (\$171,108) is due from the owners of property known as Roddan Ranch. In FY 2019-2020 the City began participating in a study to determine the feasibility of connecting to a regional sewer collection plant.

Street Maintenance (Gas Tax) (Fund 102000)

The Street Maintenance (Gas Tax) Fund accounts for costs associated with the City's Public Works activities to preserve and maintain the road system. Activities include patching of road surfaces, maintaining signage, cleaning culverts and drains, and mowing and tree trimming within the street right-of-way. Gas Tax revenue is derived from a per gallon excise tax imposed by the State and passed through to the City. Yuba County Measure D revenue is a fifteen cent per ton charge on mined aggregate and sand and manufactured asphalt concrete imposed on businesses engaged in the mining of sand and gravel from land within Yuba County. The Road Repair and Accountability Act of 2017 (SB1) revenue is derived from a per gallon of gasoline tax and increased vehicle registration fees. The General Fund contributes annually to street maintenance. Utility costs are for street lighting. Engineering services are provided under contract with Coastland Engineering.

<u>Transportation Development Act</u> (Fund 104000)

The TDA Fund accounts for revenues and expenses associated with street construction and street maintenance costs. TDA money is allocated from the California sales tax. The Sacramento Area Council of Governments is the designated regional transportation planning agency responsible for administering the TDA funds for the counties of Sacramento, Sutter, Yolo and Yuba. The TDA provides funding to local cities and counties for transit operations, capital projects, and for local street and roadway projects and bicycle and pedestrian projects.

CITY OF WHEATLAND Fiscal Year 2023-2024 Community Development Block Grants

In 1985 and 1990 the City received US Department of Housing and Urban Development (HUD) funds to provide loans to low income homeowners whose home needed repair. Seventeen (17) loans were issued to Wheatland homeowners ranging from \$7,788 to \$40,085. Payment on the loans is due at maturity (20 years or 50 years depending on the loan) or when there is a change of ownership. As of June 2021, \$142,336 is due and payable. The City has notified the property owners and will take the necessary actions to seek repayment of the loans. The City is eligible to keep \$35,000 per year in loan repayments. If the City receives more than \$35,000, all the funds must be remitted to HUD or the Program Income must be expended by using a Revolving Loan Account. The total fund balance amount consists of the amount due for the outstanding loans.

(Fund 108000)

The City of Wheatland is committed to be a forward-thinking city that values its small-town feel and its agricultural historical heritage. The Economic Development Fund was created in FY 2019 to account for expenses associated with the creation and enhancement of job growth and the promotion of business development and stability. Revenues are derived from an allocation of property tax revenue from the Yuba Water Agency and a Community Partnership fee received from the City's waste hauler, Recology. FY 2023-2024 expenses include ongoing economic development consulting, annual membership in the Yuba Sutter Economic Development Corporation (YSEDC) and Sesquicentennial planning and management.

CITY OF WHEATLAND Fiscal Year 2023-2024 General Plan Update (Fund 124000)

In January 2007, the City Council adopted Resolution 01-07 adopting a General Plan Update Surcharge Fee. This fund accounts for the per acre fee levied on owners of undeveloped land applying for a development project entitlement from the City. The fees will be used to offset the costs for a General Plan update. The one-time funding from the State of \$160,000 in FY 2020-2021 has been moved to the project funds and is identifed as Housing Element Update (\$29,500) and AB 1600 Update (\$130,500).

Supplemental Law Enforcement Fund (SLES) (Fund 142000)

SLES funds are received from the State's COPS program and are allocated by the State Controller to counties to a SLES fund. The County allocates the money to the City based on a set formula. The use of SLES is limited to front-line municipal police activities. Revenues are transferred to the General Fund to offset the cost of police services.

CITY OF WHEATLAND Fiscal Year 2023-2024 Pumpkin Farm Joint Admission (Fund 143000)

The Bishop's Pumpkin Farm is a 40-acre pumpkin farm providing agricultural entertainment/tourism activities. An Admissions Fee is imposed on ticketed entertainment functions. By agreement between the City and Bishop's Pumpkin Farm, forty percent of the total Admissions Fee collected is set aside in this fund to be used for projects agreed upon by the City and Bishop's.

Wheatland Community Garden (Fund 144000)

The Wheatland Community Garden was established by the City to incorporate urban agriculture into exising City parkland and open space. The Garden consists of leased garden plots and the establishment of a Community Garden Association that provides daily operational oversight. In addition to lease revenue, the Garden receives donations from community members.

CITY OF WHEATLAND Fiscal Year 2023-2024 Pool Operations

In July 2019 Mr. David Creps, a longtime Wheatland resident, donated \$1,000,000 to the City of Wheatland for the purpose of maintaining and operating a future community swimming pool and an aquatic recreational program. The Wheatland School District is responsible for constructing the pool facility. If the facility is not built by 2026, the funds, plus interest, will be returned to the David Creps Revocable Trust.

CITY OF WHEATLAND Fiscal Year 2023-2024 Heritage Oaks West

In June 2007, a development agreement was entered into between the City and DeValentine Family Partnership ("developer") to facilitate the creation of a physical environment that will conform to and complement the goals of the City, protect natural resources from adverse impacts, and assist in implementing the goals of the City's General Plan. The property, located in the southwest area of the City, is called Heritage Oaks West. City costs associated with development of the property such as processing, review and action on permits or other entitlements were reimbursed by the developer. The project was suspended because of the Great Recession. The balance remaining in the fund, slightly over \$3,000 will be applied to costs incurred when the project resumes.

Wheatland Public Services Community Facilities District 2015-1 (Caliterra Ranch AD, Fund 163000)

The Wheatland Public Services Community Facilities District 2015-1 (Caliterra Ranch) accounts for costs associated with providing public services and maintenance, operations, repair, or replacement of public infrastructure within the District. An annual assessment is levied on each parcel in the District where a final map has been recorded. Prior to FY 2018-2019, costs associated with establishing the District were incurred, however, no final maps were recorded. In FY 2018-2019 a final map with fifty parcels was recorded

Bear River Impact Fund (Fund 122000)

In 2010, improvements to the Bear River levee were completed. Funding for the improvements was provided by a State grant, landowner advance funding and City advance funding. Because the project provided benefits to lands in the Wheatland area beyond the landowner's properties, the City agreed, in advance funding and reimbursement agreements, to impose a Bear River levee Project Development Fee. The purpose of the fee is to reimburse the City's advance funding for the project and the landowner's excess share of advance funding for the project. As development occurs, the fees collected will be allocated to this fund to eliminate the deficit and to the Sewer Impact Fund to pay off loans made to developers to complete the levee improvements. Remaining fees collected will be used to reimburse the landowners that provided funding benefitting lands beyond their property.

Public Meeting Facilities Impact Fund (Fund 136000)

This fund accounts for the fees collected on new development to construct public meeting facilities to be used as teen centers, senior centers, gymnasiums, general use community centers, and similar facilities dedicated for use by the community's residents. The facilities will contain various rooms for classes, meetings and sport activities. In 2007, this fund borrowed \$150,000 from the City Hall Fund and \$50,000 from the Road Circulation Fund creating a negative fund balance. As impact fees are collected the loans will be repaid.

<u>Capital Project - Comprehensive Drinking Water</u> (Fund 190007)

This fund accounts for the revenues and expenses associated with upgrades to the City's supply, residential, and commercial meters and meter reading system and associated updated software. Repairs to the tower repair will replace the City's source of water pressure. The project is funded with grants from the Yuba Water Agency and the Department of Water Resources Integrated Regional Water Management Implementation grant program,

CITY OF WHEATLAND Fiscal Year 2023-2024 COVID - 19 / ARPA (Fund 190010)

This fund accounts for the revenues and expenses associated with grant funding received under the Coronavirus Aid, Relief, and Economic Security (CARES) Act and the American Rescue Plan Act (ARPA) to assist with expenses incurred due to the COVID-19 pandemic and provide economic stimulus to the country. CARES funding totaling \$50,000 was received in FY 2020 and FY 2021 and was used to offset public safety costs. ARPA money totaling \$926,504 will be received in two tranches in FY 2022 with spending expected in FY 2023.

CITY OF WHEATLAND Fiscal Year 2023-2024 AB 1600 Update (Fund 190013)

This fund accounts for the grant revenue and expenses associated with a \$130,500 grant from the California Department of Housing and Community Development. The grant provides financial assistance to local governments to update planning documents and land use ordinances. The City will use the grant monies to update the City's land use pattern, update the City's background General Plan studies and prepare an AB 1600 Fee Study.
