## CITY COUNCIL MEETING STAFF REPORT March 28, 2023

SUBJECT:

FISCAL YEAR 2022-2023 MID-YEAR BUDGET REVIEW

AND AMENDMENT

PREPARED BY:

**Steve Wong, Finance Director** 

## Recommendation

Receive and File the fiscal year (FY) 2023 Mid-Year Budget Review report.

## Background

The FY 23 budget was adopted by Council on June 28, 2022, Resolution No. 19-22. The General Fund and the other operating funds were projected to have positive fund balances with adequate reserves and the Water and Wastewater enterprise funds were projected to have positive net positions.

## **Discussion**

### General Fund

The General Fund is currently projected to have net income of \$248,425 for the year ending June 30, 2023, increasing the Fund Balance to \$2,160,452 (Page 1).

With completion of the FY 22 audit and annual financial report, the General Fund balance at July 1, 2022 was \$1,912,027, \$157,967 greater than the estimated balance of \$1,754,060 at the time of FY 23 budget preparation. A detailed review of General Fund revenues is presented on page 2. Current year property tax revenue of \$895,000 is projected to be approximately \$30,000 more than budget, a 2.4% increase over FY 22 and sales and transaction tax revenues of \$975,000 are projected to be approximately \$74,000 more than budget, a 9.3% increase over FY 22.

Revenue from excise taxes was \$3,349 in FY 20, \$1,336 in FY 21 and \$102,445 in FY 22. The FY 23 Adopted Budget assumed \$-0- in excise tax revenue, \$33,417 has been actually received so far this year. The General Fund portion of admissions fees from Bishop's Pumpkin Farm, \$86,001 exceeded the budget estimate of \$72,450 and the FY

22 revenue amount of \$69,033. Interest income will be higher this year for all City funds, interest income of \$20,000 is currently projected for the General Fund.

With General Fund department operating expenses, the police department actual expenses were running slightly higher than budgeted. In reviewing the accounts, it has been determined that a portion of the Department's salaries and benefits have been incorrectly charged to the General Fund, correcting the account coding will bring the Department's actual expenses closer to the budget estimate. An unbudgeted new lawn mower was obtained for \$12,500 causing the Parks projected expenses to exceed the FY 23 budget.

Most, if not all, of the usual annual inter-fund transfers, were not processed in FY 22. Processing both the FY 22 and FY 23 transfers this fiscal year will positively increase this year's General Fund fund balance. The General Fund fund balance includes reserves of \$30,000 for the CIRA SIR, and \$100,000 for the new Vehicle and Technology replacement reserve.

### Other Funds

Summaries of revenues, expenses, net position and fund balance for other funds with operating activities, the Water Fund, Wastewater Fund and Gas Tax, are also reported on page 3 of the report.

Review and analysis of the City's special revenue, impact fees and capital project funds is on-going. There are no significant variations from the adopted budgets for these funds to report at this time.

#### **Fiscal Impact**

There are no fiscal impacts from receiving and filing the attached report.
