

CITY OF WHEATLAND

CITY COUNCIL MEETING STAFF REPORT

July 14, 2020

SUBJECT: Participation in the Statewide Community Infrastructure Program ("SCIP")

PREPARED BY: Dane H. Schilling – City Engineer

Recommendation

1. Conduct a public hearing to take public testimony on the Statewide Community Infrastructure Program ("SCIP") and proposed bonds to be issued by California Statewide Communities Development Authority ("CSCDA"), and
2. Adopt a resolution making certain findings and authorizing certain matters necessary to participate in SCIP.

Background/Discussion

CSCDA is a joint powers authority sponsored by the League of California Cities and the California State Association of Counties. The member agencies of CSCDA include approximately 391 cities and 56 counties throughout California, including the City of Wheatland.

SCIP was instituted by CSCDA in 2002 to allow owners of property in participating cities and counties to finance the development impact fees that would be payable by property owners upon receiving development entitlements or building permits. The program has since been expanded to include financing of public capital improvements directly. If a property owner chooses to participate, the selected public capital improvements and the development impact fees owed to the City will be financed by the issuance of tax-exempt bonds by CSCDA. CSCDA will impose a special assessment on the owner's property to repay the portion of the bonds issued to finance the fees paid with respect to the property. With respect to impact fees, the property owner will either pay the impact fees at the time of permit issuance and be reimbursed from the SCIP bond proceeds when the SCIP bonds are issued; or the fees will be funded directly from the proceeds of the SCIP bonds. In the former case, the City is required to pay the fees over to SCIP, and in the latter case, SCIP holds the bond proceeds representing the fees. In both cases the fees are subject to requisition by the City at any time to make authorized fee expenditures. But by holding and investing the money until it is spent, SCIP is able to monitor the investment earnings (which come to the City) for federal tax law arbitrage purposes. SCIP encourages the City to spend those amounts before any other fee revenues of the City. If the fees are paid by the property owner and bonds are never issued, the fees are returned to the City by SCIP. In this way, the

City is never at risk for the receipt of the impact fees. Since its inception, SCIP has financed approximately \$600 million of bonds for local projects.

The benefits to the property owner include:

- Only property owners who choose to participate in the program will have assessments imposed on their property.
- Instead of paying cash for public capital improvements and/or development impact fees, the property owner receives low-cost, long-term tax-exempt financing of those fees, freeing up capital for other purposes.
- The property owner can choose to pay off the special assessments at any time. Because SCIP is a fixed lien assessment, payments will not escalate over time and no property owner is in any way responsible for another property's assessment.
- For home buyers, paying for the costs of public infrastructure through a special assessment is superior to having those costs "rolled" into the cost of the home. Although the tax bill is higher, the amount of the mortgage is smaller. Moreover, because the special assessment financing is at tax-exempt rates, it can come at a lower cost than mortgage rates.
- Owners of smaller projects, both residential and commercial, can have access to tax-exempt financing of infrastructure. Before the inception of SCIP, only projects large enough to justify the formation of an assessment or communities facilities district had access to tax-exempt financing. SCIP can finance project amounts as low as \$500,000.

The benefits to the City include:

- As in conventional assessment financing, the City is not liable to repay the bonds issued by CSCDA or the assessments imposed on the participating properties.
- CSCDA handles all district formation, district administration, bond issuance and bond administration functions. A participating county can provide tax-exempt financing to property owners through SCIP while committing very little staff time to administer the program. At its discretion, the local agency can charge an administrative fee to cover staff time taken to review the SCIP application and request for funding.
- Providing tax-exempt financing helps participating cities and counties cushion the impact of rising public capital improvements costs and development impact fees on property owners.
- The availability of financing can encourage developers to pull permits and pay fees in larger blocks, giving the participating city immediate access to revenues for public infrastructure, rather than receiving a trickle of revenues stretched out over time. As part of the entitlement negotiation process, the possibility of tax-exempt financing of fees can be used to encourage a developer to pay fees up front.
- In some cases, the special assessments on successful projects can be refinanced through refunding bonds. Savings achieved through refinancing will be directed back to the participating county for use on public infrastructure, or credits to property owners, subject to applicable federal tax limitations.
- SCIP is an important tool for developers in determining the overall feasibility of a project and in certain instances the decision to purchase land.

The proposed resolution authorizes CSCDA to accept applications from owners of property within our planning jurisdiction to apply for tax-exempt financing of public capital improvements and development impact fees through SCIP. It also authorizes CSCDA to form assessment districts within our City's boundaries, conduct assessment proceedings and levy assessments against the property of participating owners. It approves the form of an Acquisition Agreement, attached to the resolution as Exhibit B, to be entered into between the City and the participating property owner/developer, if applicable, to provide the terms and conditions under which financing for public capital improvements will be provided and to establish the procedure for disbursement of bond proceeds to pay for completed facilities. It also authorizes miscellaneous related actions and makes certain findings and determinations required by law.

Attached to the resolution as Exhibit A is a "Form of Resolution of Intention to be Adopted by CSCDA". This is for informational purposes and does not require action by this Council.

Alternatives

Alternatively, the City Council may choose to not to adopt the attached resolution to join the SCIP program.

Fiscal Impact

No direct fiscal impacts would result from adopting the proposed resolution.

ARTICLE II

DESIGN, CONSTRUCTION AND ACQUISITION OF ACQUISITION IMPROVEMENTS

Section 2.01. Letting and Administering Design Contracts. The parties presently anticipate that the Developer has awarded and administered or will award and administer engineering design contracts for the Acquisition Improvements to be acquired from Developer. All eligible expenditures of the Developer for design engineering and related costs in connection with the Acquisition Improvements (whether as an advance to the Local Agency or directly to the design consultant) shall be reimbursed at the time of acquisition of such Acquisition Improvements. The Developer shall be entitled to reimbursement for any design costs of the Acquisition Improvements only out of the Acquisition Price as provided in Section 2.03 and shall not be entitled to any payment for design costs independent of or prior to the acquisition of Acquisition Improvements.

Section 2.02. Letting and Administration of Construction Contracts. State law requires that all Acquisition Improvements shall be constructed as if they were constructed under the direction and supervision of the Local Agency. In order to assure compliance with those provisions, except for any contracts entered into prior to the date hereof, Developer agrees to comply with the guidelines of the Local Agency for letting and administering said contracts. The Developer agrees that all such contracts shall call for payment of prevailing wages as required by the Labor Code of the State of California.

Section 2.03. Sale of Acquisition Improvements. The Developer agrees to sell to the Local Agency the Acquisition Improvements to be constructed by Developer (including any rights-of-way or other easements necessary for the operation and maintenance of the Acquisition Improvements, to the extent not already publicly owned) when such Acquisition Improvements are completed to the satisfaction of the Local Agency for an amount not to exceed the lesser of (i) the Available Amount or (ii) the Actual Cost of the Acquisition Improvements. Exhibit A, attached hereto and incorporated herein, contains a list of each Acquisition Improvement. At the time of completion of each Acquisition Improvement, the Developer shall deliver to the Local Agency Engineer a written request for acquisition,

accompanied by an Actual Cost Certificate and executed Title Documents for the transfer of the Acquisition Improvement, where necessary. In the event that the Local Agency Engineer finds that the supporting paperwork submitted by the Developer fails to demonstrate the required relationship between the subject Actual Cost and the related Acquisition Improvement, the Local Agency Engineer shall advise the Developer that the determination of the Actual Cost (or the ineligible portion thereof) has been disallowed and shall request further documentation from the Developer. If such further documentation is still not adequate, the Local Agency Engineer may revise the Actual Cost Certificate to delete any disallowed items, and such determination shall be final and conclusive.

In the event that the Actual Cost is in excess of the Available Amount, the Local Agency shall withdraw the Available Amount from the [Developer] Acquisition Account and transfer said amount to the Developer. In the event that the Actual Cost is less than the Available Amount, the Local Agency shall withdraw an amount from the [Developer] Acquisition Account equal to the Actual Cost, and shall transfer said amount to the Developer. Any amounts then remaining in the [Developer] Acquisition Account shall be applied as provided in Section 1.03.

In no event shall the Local Agency be required to pay the Developer more than the amount on deposit in the [Developer] Acquisition Account at the time such payment is requested.

Section 2.04. Conditions Precedent to Payment of Acquisition Price. Payment by the Local Agency to the Developer from the [Developer] Acquisition Account of the Acquisition Price for an Acquisition Improvement shall be conditioned first upon the determination of the Local Agency Engineer, pursuant to Section 2.03, that such Acquisition Improvement is all complete and ready for acceptance by the Local Agency, and shall be further conditioned upon prior satisfaction of the following additional conditions precedent:

(a) The Developer shall have provided the Local Agency with lien releases or other similar documentation satisfactory to the Local Agency as evidence that the property which is subject to the special assessment liens of the Assessment District is not subject to any prospective mechanics lien claim respecting the Acquisition Improvements.

(b) All due and payable property taxes, and installments of special assessments shall be current on property owned by the Developer or under option to the Developer that is subject to the special assessment liens of the Assessment District.

(c) The Developer shall certify that it is not in default with respect to any loan secured by any interest in the Project.

(d) The Developer shall have provided the Local Agency with Title Documents needed to provide the Local Agency with title to the site, right-of-way, or easement upon which the subject Acquisition Improvements are situated. All such Title Documents shall be in a form acceptable to the Local Agency (or applicable governmental agency) and shall convey Acceptable Title. The Developer shall provide a policy of title insurance as of the date of transfer in a form acceptable to the Local Agency Engineer insuring the Local Agency as to the interests acquired in connection with the acquisition of any interest for which such a policy of title insurance is not required by another agreement between the Local Agency and the Developer. Each title insurance policy required hereunder shall be in the amount equal to or greater than the Acquisition Price.

Section 2.05. SCIP Requisition. Upon a determination by the Local Agency Engineer to pay the Acquisition Price of the Acquisition Improvements pursuant to Section 2.04, the Local Agency Engineer shall cause a SCIP Requisition to be submitted to the Program Administrator. The Program Administrator will review the SCIP Requisition and forward it with instructions to the SCIP Trustee and the SCIP Trustee shall make payment directly to the Developer of such amount pursuant to the SCIP Trust Agreement. The Local Agency and the Developer acknowledge and agree that the SCIP Trustee shall make payment strictly in accordance with the SCIP Requisition and shall not be required to determine whether or not the Acquisition Improvements have been completed or what the Actual Costs may be with respect to such Acquisition Improvements. The SCIP Trustee shall be entitled to rely on the SCIP Requisition on its face without any further duty of investigation.

ARTICLE III

MISCELLANEOUS

Section 3.01. Indemnification and Hold Harmless. The Developer hereby assumes the defense of, and indemnifies and saves harmless the Local Agency, the Authority, and each of its respective officers, directors, employees and agents, from and against all actions, damages, claims, losses or expenses of every type and description to which they may be subjected or put, by reason of, or resulting from or alleged to have resulted from the acts or omissions of the Developer or its agents and employees in the performance of this Agreement, or arising out of any contract for the design, engineering and construction of the Acquisition Improvements or arising out of any alleged misstatements of fact or alleged omission of a material fact made by the Developer, its officers, directors, employees or agents to the Authority's underwriter, financial advisor, appraiser, district engineer or bond counsel or regarding the Developer, its proposed developments, its property ownership and its contractual arrangements contained in the official statement relating to the SCIP financing (provided that the Developer shall have been furnished a copy of such official statement and shall not have objected thereto); and provided, further, that nothing in this Section 3.01 shall limit in any manner the Local Agency's rights against any of the Developer's architects, engineers, contractors or other consultants. Except as set forth in this Section 3.01, no provision of this Agreement shall in any way limit the extent of the responsibility of the Developer for payment of damages resulting from the operations of the Developer, its agents and employees. Nothing in this Section 3.01 shall be understood or construed to mean that the Developer agrees to indemnify the Local Agency, the Authority or any of its respective officers, directors, employees or agents, for any negligent or wrongful acts or omissions to act of the Local Agency, Authority its officers, employees, agents or any consultants or contractors.

Section 3.02. Audit. The Local Agency shall have the right, during normal business hours and upon the giving of ten days' written notice to the Developer, to review all books and records of the Developer pertaining to costs and expenses incurred by the Developer (for which the Developer seeks reimbursement) in constructing the Acquisition Improvements.

Section 3.03. Cooperation. The Local Agency and the Developer agree to cooperate with respect to the completion of the SCIP financing for the Acquisition Improvements. The Local Agency and the Developer agree to meet in good faith to resolve any differences on future matters which are not specifically covered by this Agreement.

Section 3.04. General Standard of Reasonableness. Any provision of this Agreement which requires the consent, approval or acceptance of either party hereto or any of their respective employees, officers or agents shall be deemed to require that such consent, approval or acceptance not be unreasonably withheld or delayed, unless such provision expressly incorporates a different standard. The foregoing provision shall not apply to provisions in the Agreement which provide for decisions to be in the sole discretion of the party making the decision.

Section 3.05. Third Party Beneficiaries. The Authority and its officers, employees, agents or any consultants or contractors are expressly deemed third party beneficiaries of this Agreement with respect to the provisions of Section 3.01. It is expressly agreed that, except for the Authority with respect to the provisions of Section 3.01, there are no third party beneficiaries of this Agreement, including without limitation any owners of bonds, any of the Local Agency's or the Developer's contractors for the Acquisition Improvements and any of the Local Agency's, the Authority's or the Developer's agents and employees.

Section 3.06. Conflict with Other Agreements. Nothing contained herein shall be construed as releasing the Developer or the Local Agency from any condition of development or requirement imposed by any other agreement between the Local Agency and the Developer, and, in the event of a conflicting provision, such other agreement shall prevail unless such conflicting provision is specifically waived or modified in writing by the Local Agency and the Developer.

Section 3.07. Notices. All invoices for payment, reports, other communication and notices relating to this Agreement shall be mailed to:

If to the Local Agency:

City of Wheatland
[Address to Come]

If to the Developer:

[Developer]
[Address to Come]

Either party may change its address by giving notice in writing to the other party.

Section 3.08. Severability. If any part of this Agreement is held to be illegal or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall be given effect to the fullest extent reasonably possible.

Section 3.09. Governing Law. This Agreement and any dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State of California.

Section 3.10. Waiver. Failure by a party to insist upon the strict performance of any of the provisions of this Agreement by the other party, or the failure by a party to exercise its

rights upon the default of the other party, shall not constitute a waiver of such party's right to insist and demand strict compliance by the other party with the terms of this Agreement.

Section 3.11. Singular and Plural; Gender. As used herein, the singular of any word includes the plural, and terms in the masculine gender shall include the feminine.

Section 3.12. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original.

Section 3.13. Successors and Assigns. This Agreement is binding upon the heirs, assigns and successors-in-interest of the parties hereto. The Developer may not assign its rights or obligations hereunder, except to successors-in-interest to the property within the District, without the prior written consent of the Local Agency.

Section 3.14. Remedies in General. It is acknowledged by the parties that the Local Agency would not have entered into this Agreement if it were to be liable in damages under or with respect to this Agreement or the application thereof, other than for the payment to the Developer of any (i) moneys owing to the Developer hereunder, or (ii) moneys paid by the Developer pursuant to the provisions hereof which are misappropriated or improperly obtained, withheld or applied by the Local Agency.

In general, each of the parties hereto may pursue any remedy at law or equity available for the breach of any provision of this Agreement, except that the Local Agency shall not be liable in damages to the Developer, or to any assignee or transferee of the Developer other than for the payments to the Developer specified in the preceding paragraph. Subject to the foregoing, the Developer covenants not to sue for or claim any damages for any alleged breach of, or dispute which arises out of, this Agreement.
