RE: Appointment to the Sutter-Yuba Mosquito & Vector Control District Board of Trustees

Dear Members of the Wheatland City Council,

Please accept my letter of interest in serving on the Sutter-Yuba Mosquito & Vector Control District Board of Trustees as Wheatland representative. The seat vacated by Trustee, Justin Guzman became open after his last meeting on July 11, 2024, where he officially announced his resignation. The California Health & Safety Code division 3, chapter 1, article 3, section 2022(b) stipulates that each person appointed to a mosquito agency board, be a voter and resident of the city. Furthermore, section 2024(b) requires an appointment to fill a vacancy, on an agency board of trustees be for the balance of the unexpired term, instead of for a full, four-year term. In this case the appointment would be through December 31, 2026. You may reach out to me with any questions at 530-301-4297. Thank you for your consideration.

Sincerely,

Austin Bishop
