

CITY OF WHEATLAND

CITY COUNCIL MEETING STAFF REPORT

February 27, 2024

SUBJECT: Update on Current Development Activities
PREPARED BY: Tim Raney, Community Development Director

Recommendation

Receive and provide comment on the information presented regarding the status of current development activities within the City of Wheatland.

Discussion and Background

Raney Planning & Management and Coastland Engineering, along with City staff, have been working on a number of development projects over the past year. At the February 27th City Council meeting, an update will be provided on the status of development projects currently underway as well as projects anticipated in the near future. The goal of this discussion will be to provide information to the City Council and respond to questions that the Council may have.

Fiscal Impact

This is an information item only. There is no fiscal impact.
