CITY COUNCIL MEETING STAFF REPORT

March 8, 2022

SUBJECT: Wheatland-Premier Grove Landscape and Lighting District

PREPARED BY: Susan Mahoney, Finance Director

Recommendation

Staff recommends the City Council adopt the attached resolution directing the preparation of the engineer's report for the Wheatland-Premier Grove Landscape and Lighting Assessment District (the "District").

Background/Discussion

The Wheatland-Premier Grove Landscape and Lighting Assessment District provides funding for the following zones:

	Subdivision	Services Provided
Zone 1	Wheatland Ranch subdivision	Landscaping, irrigation, street lights, detention basin, frontage wall and park
Zone 2	Premier Grove subdivision	Street lights
Zone 3	Park Place subdivision	Landscaping, irrigation, street lights, open space, drainage area and park

Each year a budget is established to determine the cost of providing the services and to determine the proportional amount to assess benefiting parcels within the District. This a three-step process.

State law governing assessments:
Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code

Step 1 - Pass a resolution directing the preparation of the Annual Engineer's Report. The Engineer's Report establishes a budget for the services that will be funded by the fiscal year 2022-23 assessments and the method of assessment apportionment to lots and parcels.

Step 2 - Pass a resolution of intention to continue the assessments, preliminary approval of the Engineer's Report and provide notice of a Public Hearing.

Step 3 - Pass a resolution approving the Engineer's Report and ordering the levy of the assessment for fiscal year 2022-23.

The attached Resolution directs the preparation of the Engineer's Report for fiscal year 2022-23 and completes Step 1 of the assessment process. The City contracts with SCI Consulting Group for the preparation of the Engineer's Report.

Alternatives

None, preparation of the Engineer's Report is required by law.

Fiscal Impact

The cost of preparing the Engineer's Report is paid for by the District.
