I. INTRODUCTION

City of Wheatland Community Facilities District No. 2015-1

On March 10, 2015, the City of Wheatland (the “City”) City Council (the “City Council”) adopted the resolution, which established the City of Wheatland CFD No. 2015-1 (Wheatland Public Services). A successful landowner election authorized the levy of a Mello-Roos Special Tax on property within CFD No. 2015-1. CFD No. 2015-1 encompasses an area of approximately 80 acres and is located on the south side of Wheatland Road, between the existing high school and Ace Hardware.

On June 13, 2017 a resolution approving Annexation No. 1 was adopted by the City Council and thereby created the first annexation to CFD 2015-1. With this annexation, an additional tax zone was created with different rates; these rates can be found in Supplement No. 1 to the RMA. Annexation No. 1 is expected to have five hundred and fifty-two single family residential units.

The types of services to be funded by CFD No. 2015-1 generally include police protection services; fire protection and suppression services; ambulance and paramedic services; maintenance of roads and roadways (including Highway 65), storm protection services, maintenance, repair, and replacement of parks and landscaping in public areas and in the public right of way along public streets, and any other public services authorized to be funded under Section 53313 of the California Government Code that are not already funded by another community facilities district on the property within CFD No. 2015-1.

The Mello-Roos Community Facilities Act of 1982

The California State Legislature (the “Legislature”) approved the Mello-Roos Community Facilities Act of 1982 that provides for the levy of a Special Tax within a defined geographic area (i.e., a community facilities district) if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities and eligible services. These services include police protection services, fire protection and suppression services, library services, recreation program services, flood and storm protection services, street lighting services, and maintenance of roads, parks, parkways, and open space. Special Taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

II. PURPOSE OF REPORT

This CFD Tax Administration Report (the “Report”) presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2021-22 Special Tax levy for CFD No. 2015-1. The Report is intended to provide information to interested parties regarding CFD No. 2015-1, including the Special Taxes to be levied in fiscal year 2021-22 and the status of development in CFD No. 2015-1.

The remainder of the Report is organized as follows:

- **Section III** identifies the financial obligations, in particular, the Special Tax Requirement for CFD No. 2015-1 for fiscal year 2021-22.
- **Section IV** presents a summary of the special tax levy. Additionally, it identifies the method used to apportion special taxes among parcels in CFD No. 2015-1 and the maximum and actual special tax rates for fiscal year 2021-22.
- **Section V** provides an update of the development activity occurring within the CFD.
- **Section VI** provides information on state reporting requirements.

III. SPECIAL TAX REQUIREMENT

The Rate and Method of Apportionment of Special Tax (the “RMA”), which was adopted as an exhibit to the Resolution of Formation of CFD No. 2015-1, is included in Appendix C of this Report. Pursuant to the RMA, the Special Tax Requirement means the amount necessary in any fiscal year to pay (i) authorized services, (ii) administrative expenses, and (iii) amounts needed to cure any delinquencies in the payment of special taxes which have occurred or may be expected to occur in the fiscal year in which the tax will be collected. For fiscal year 2021-22, the Special Tax Requirement is \$48,521.

IV. SPECIAL TAX LEVY

Special Tax Categories

Special Taxes within CFD No. 2015-1 are levied pursuant to the methodology set forth in the RMA. Among other things, the RMA establishes various special tax categories against which the special taxes may be levied, the maximum special tax rates, and the methodology by which the special taxes are applied. On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor's Parcel numbers for all Parcels of Developed Property within the CFD. The Administrator shall also determine: (i) within which Tax Zone each Parcel is located; (ii) which Parcels of Developed Property are Residential Property and Non-Residential Property; (iii) the Non-Residential Square Footage of buildings on each Parcel of Non-Residential Property; (iv) for Single Family Detached Property, the number of SFD Lots, (v) by reference to the condominium plan, site plan, or other document, the number of Units on each Parcel of Single Family Attached Property and Multi-Family Property; and (vi) the Special Tax Requirement for the Fiscal Year. *(All capitalized terms, unless otherwise stated, are defined in the RMA in Appendix C of this Report.)*

Maximum Special Tax Rates

The Maximum Special Tax rates applicable to each category of property in CFD No. 2015-1 are set forth in Section C of the RMA. The percentage of the maximum special taxes that will be levied on each land use category in fiscal year 2021-22 are determined by the method of apportionment included in Section D of the RMA. The table in Appendix A identifies the fiscal year 2021-22 maximum special tax rates and actual special tax rates for Taxable Property in the CFD.

Apportionment of Special Taxes

The amount of Special Tax levied on each parcel in CFD No. 2015-1 each fiscal year will be determined by application of Section D of the RMA. Pursuant to this section, the Special Tax Requirement will be allocated by levying the Special Tax proportionately on each parcel or portion of each parcel of Taxable Property up to 100% of the Maximum Special Tax, until the Special Tax Requirement is satisfied.

The special tax roll, which identifies the special tax to be levied against each parcel in the CFD in fiscal year 2021-22, is provided in Appendix B.

V. DEVELOPMENT STATUS

As of June 30, 2021, the City has approved one final map reflecting 55 residential lots. These 55 Single Family Detached Lots are classified as Residential Property and therefore are subject to the Special Tax for fiscal year 2021-22.

Based on the current status of development in CFD No. 2015-1, the following table summarizes the allocation of land uses to the Special Tax categories for the fiscal year 2021-22 tax levy:

**Community Facilities District No. 2015-1
Allocation to Special Tax Categories
Fiscal Year 2021-22**

Type of Property	Residential Unit Type	Number of Units or Sq. Ft.
Residential Property	Single Family Detached Property	55 Lots
Residential Property	Single Family Attached Property	0 Units
Residential Property	Multi-Family Property	0 Units
Non-Residential Property	N/A	0 Sq. Ft.

VI. STATE REPORTING REQUIREMENTS

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the “chief fiscal officer” of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds.

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code (“GC”). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency’s web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission (“CDIAC”) pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller’s Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency’s Financial Transactions Report that is prepared for the State Controller’s Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

“Multi-Family Property” means, in any Fiscal Year, all Parcels of Taxable Property for which a building permit or use permit has been issued or is expected to be issued for construction of a residential structure with five or more Units that share a single Assessor’s Parcel number, are offered for rent to the general public, and cannot be purchased by individual homebuyers.

“Non-Residential Property” means all Assessor’s Parcels of Taxable Property for which a building permit was or is expected to be issued for an office, commercial, retail, hotel, industrial, or mixed-use building, or other non-residential use, as determined by the City.

“Non-Residential Square Footage” means the net leasable square footage used by or designated for non-residential uses within a building as reflected on the condominium plan, site plan, building permit for new construction, or other such document. If a structure on a Parcel of Non-Residential Property includes Units, such Units shall be categorized and taxed as Residential Property, and the square footage of such Units shall not be counted as Non-Residential Square Footage for purposes of determining the Maximum Special Taxes pursuant to Section C below.

“Proportionately” means that the ratio of the actual Special Tax levied in any Fiscal Year to the Maximum Special Tax authorized to be levied in that Fiscal Year is equal for all Assessor’s Parcels of Developed Property.

If a building includes both Units and Non-Residential Square Footage, the Units within the building shall be categorized as Residential Property for purposes of this RMA.

“RMA” means this Rate and Method of Apportionment of Special Tax.

“SFD Lot” means an individual residential lot, identified and numbered on a recorded Final Map, on which a building permit was or is expected to be issued for construction of a single family detached unit without further subdivision of the lot and for which no further subdivision of the lot is anticipated pursuant to an approved tentative map.

“Single Family Attached Property” means, in any Fiscal Year, all Parcels of Taxable Property for which a building permit was or is expected to be issued for construction of a residential structure consisting of two or more Units that share common walls, have separate Assessor’s Parcel numbers assigned to them (except for a duplex unit, which may share an Assessor’s Parcel with another duplex unit), and may be purchased by individual homebuyers (which shall still be the case even if the Units are purchased and subsequently offered for rent by the owner of the unit), including such residential structures that meet the statutory definition of a condominium project contained in Civil Code Section 4125.

“Single Family Detached Property” means, in any Fiscal Year, all Parcels of Taxable Property for which a building permit was or is expected to be issued for construction of a Unit that does not share a common wall with another Unit. An Accessory Unit that shares a Parcel with a single-family detached unit shall not be considered a separate Unit for purposes of this RMA.

“Special Tax” means a special tax levied in any Fiscal Year to pay the Special Tax Requirement.

“Special Tax Requirement” means the amount of revenue needed in any Fiscal Year to pay for: (i) Authorized Services, (ii) Administrative Expenses, and (iii) amounts needed to cure any delinquencies in the payment of Special Taxes which have occurred or (based on delinquency rates in prior years) may be expected to occur in the Fiscal Year in which the tax will be collected. In any Fiscal Year, the Special Tax Requirement shall be reduced by surplus amounts available (as determined by the City) from the levy of the Special Tax in prior Fiscal Years, including revenues from the collection of delinquent Special Taxes and associated penalties and interest.

“Taxable Property” means all of the Assessor’s Parcels within the boundaries of the CFD which are not exempt from the Special Taxes pursuant to law or Section F below.

The Assessor’s Parcels included within a new Tax Zone established when such Parcels are annexed to the CFD shall be identified by Assessor’s Parcel number in the Unanimous Approval Form that is signed by the owner(s) of the Parcels at the time of annexation.

“Unanimous Approval Form” means that form executed by the record owner of fee title to a Parcel or Parcels annexed into the CFD that constitutes the property owner’s approval and unanimous vote in favor of annexing into the CFD and the levy of Special Taxes against his/her Parcel or Parcels pursuant to this RMA.

“Unit” means a single family detached residential unit or an individual residential unit within a duplex, triplex, halfplex, fourplex, condominium, townhome, live/work, or apartment structure.

B. DATA FOR ADMINISTRATION OF SPECIAL TAXES

On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor’s Parcel numbers for all Parcels of Developed Property within the CFD. The Administrator shall also determine: (i) within which Tax Zone each Parcel is located; (ii) which Parcels of Developed Property are Residential Property and Non-Residential Property; (iii) the Non-Residential Square Footage of buildings on each Parcel of Non-Residential Property; (iv) for Single Family Detached Property, the number of SFD Lots, (v) by reference to the condominium plan, site plan, or other document, the number of Units on each Parcel of Single Family Attached Property and Multi-Family Property; and (vi) the Special Tax Requirement for the Fiscal Year. To determine the square footage of each Parcel of Single Family Detached Property, the Administrator shall reference Assessor’s Parcel maps or, if the square footage is not yet designated on such maps, the small lot subdivision map recorded to create the individual lots.

In any Fiscal Year, if it is determined that: (i) a subdivision map for property in the CFD was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created parcels into the then current tax roll), (ii) because of the date

the subdivision map was recorded, the Assessor does not yet recognize the new parcels created by the subdivision map, and (iii) a building permit was issued on or prior to June 30 of the prior Fiscal Year for development on one or more of the newly-created parcels, the Administrator shall calculate the Special Taxes for Units and/or Non-Residential Square Footage within the subdivided area and levy such Special Taxes on the master Parcel that was subdivided by recordation of the subdivision map.

C. MAXIMUM SPECIAL TAX

1. Special Tax, Tax Zone 1

Table 1 below identifies the Maximum Special Tax for Developed Property within Tax Zone 1; a different Maximum Special Tax may be identified for property that annexes into the CFD and is part of a separate Tax Zone.

2. Maximum Special Taxes for Mixed-Use Buildings

D. METHOD OF LEVY OF THE SPECIAL TAX

Each Fiscal Year, the Administrator shall determine the Special Tax Requirement for the Fiscal Year, and the Special Tax shall be levied on each Parcel of Developed Property within the CFD in the amount of either (i) the Maximum Special Tax, or (ii) the Proportionately determined percentage of the Maximum Special Tax required to generate the Special Tax Requirement, whichever is less.

E. MANNER OF COLLECTION OF SPECIAL TAX

The Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that the City may directly bill, collect at a different time or in a different manner, and/or collect delinquent Special Taxes through foreclosure or other available methods. The Special Tax may be levied and collected in perpetuity.

F. EXEMPTIONS

No Special Tax shall be levied on Public Property or any other Parcels in the CFD that are not Residential Property or Non-Residential Property, as defined herein, except as otherwise provided in the Act.

G. INTERPRETATION OF SPECIAL TAX FORMULA

The City may, by resolution or ordinance, interpret, clarify, and/or revise this RMA to correct any inconsistency, vagueness, or ambiguity as it relates to the Special Taxes, method of apportionment, classification of properties, or any definition applicable to the CFD, as long as such correction does not materially affect the levy and collection of Special Taxes. The City, upon the request of an owner of land within the CFD which is not Developed Property, may also amend this RMA in any manner acceptable to the City, by resolution or ordinance following a public hearing, upon the affirmative vote of such owner to such amendment and without the vote of owners of any other land within the CFD, provided such amendment only affects such owner's land.
