

CITY OF WHEATLAND

CITY COUNCIL MEETING STAFF REPORT May 28, 2019

SUBJECT: FISCAL YEAR 2019-2020 PROPOSED OPERATING BUDGET, REQUEST FOR INPUT AND DIRECTION

PREPARED BY: Susan Mahoney, Finance Director

Recommendation

Provide input and direction to staff regarding the proposed Fiscal Year (FY) 2019-2020 Operating Budget. Direct staff to bring back a final proposed budget at the June 25, 2019 City Council meeting.

Background/Discussion

The City Council adopts an annual budget for City government operations no later than June 30th for the upcoming fiscal year that begins on July 1st. The attached proposed FY 2019-2020 Operating Budget has been prepared with input from all City Departments and the City Manager. In developing the budget, staff analyzed existing service levels and potential services, considering priorities and financial constraints, and made modifications accordingly. The budget includes all City funds except for fiduciary funds that the City holds as a trustee and cannot be used to fund City programs.

General Fund

The proposed General Fund budget projects a Net Income before Capital Items of \$57,068. The capital purchase of a police vehicle for \$65,000 will result in an overall decrease in fund balance of \$7,932. Service levels will remain at FY 2018-2019 levels. A transfer of \$60,000 from the General Fund to the Gas Tax Fund will provide additional funding for road maintenance projects. The fund balance for the General Fund includes:

\$30,000	Insurance Reserve
1,000,000	Contingent Sales Tax Reserve
691,543	Reserve
\$1,721,543	TOTAL

The Reserve amount equals 30% of total General Fund operating expenses, meeting the Council's established policy of a 25% minimum level.

The General Fund receives 73% of its total revenue from taxes and 92% of the tax revenue projected for FY 2019-2020 comes from property tax and sales tax. Property tax revenue is expected to increase 4% in FY 2019-2020 and sales tax is projected to increase 3%.

Personnel

A merit increase for all eligible employees has been included in the budget. A three and one-half percent increase for all employees (to be paid as salary or deferred compensation) has also been included in the budget as a placeholder as the City has not reached an agreement for a successor memorandum of understanding with any of the employee units.

The Police Department is proposing to increase staffing by a 0.40 non-sworn FTE to provide code enforcement services. These duties were previously contracted out to Coastland Engineering. It is anticipated that there will be a cost savings by providing the service with in-house staff. The 1.0 FTE Police Department Administrative Assistant will be reduced to 0.90 FTE. The Administration Department is proposing a 0.40 FTE to provide backup to the City Clerk.

Special Revenue Funds

The Street Maintenance (Gas Tax) Fund and the Transportation Development (TDA) Fund will use all available resources to complete the Hooper Street project.

A new Special Revenue Fund, Economic Development, has been added to the FY 2019-2020 budget to account for the expenses associated with the creation and enhancement of job growth and the promotion of business development and stability.

One-time State funding to be used for planning purposes is anticipated in FY 2019-2020. This appropriation (estimated at \$160,000) is the result of Senate Bill 2 passed in 2017. It will be accounted for in the City's General Plan Update Surcharge Fund. The State will provide specific instructions as to the use of these funds at a later date.

The Park Facilities Impact Fund includes a \$5,000 expenditure to contract for a grant writer. The writer will prepare a grant application to be submitted to the California Department of Parks and Recreation for a grant of up to \$200,000 for City park improvements.

All other Special Revenue Funds have minimal revenues and no expenses as no significant building activity is anticipated in FY 2019-2020.

Enterprise Funds

The net position of the Water Fund is projected to maintain its FY 2018-2019 level due to anticipated additional income from the restructuring of the City's water rates. The Wastewater Fund continues to reflect a decrease in net position, however, projected increased sewer rates will eliminate this decrease in FY 2020-2021. Both funds do not have the necessary reserves to repair or replace aging equipment and facilities.

Alternatives

Direct staff to modify the proposed budget.

Fiscal Impact

The proposed budget establishes appropriation limits for all operating funds of the City as shown in the budget document.

CHAPTER CCLV.

An Act for the incorporation of the Town of Wheatland, Yuba County.

[Approved March 13, 1874.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. The people of the Town of Wheatland shall be a body politic and corporate, under the style of the Trustees of the Town of Wheatland, and by that name they shall have succession; may complain and defend in all Courts, and in all actions and proceedings; purchase, receive, and hold property, and sell or otherwise dispose of the same for their common benefit. Corporate name.

SEC. 2. The boundaries of the Town of Wheatland shall be as follows, viz: Continue the west line of the town plat of the Town of Wheatland, as now on record in the Recorder's office of the County of Yuba, north, true to its bearings, three hundred feet from the northwest corner of the town plat; thence at a right angle east, and parallel with the northern line or boundary of the town, to a point where a line continued north from the east side of C street, and true to the bearing of C street, will intersect said line; thence south along the line continued from said C street to where it intersects the north boundary of the original town plat; thence along said north line to the northeast corner; thence north along the east line of lands belonging to C. K. Dam, three hundred feet from said northeast corner; thence at a right angle east to where such line will intersect the west line of lands owned by J. A. Tozer; thence south along said west line, and parallel with the east line of the original town plat, to a point where a line continued on the south side of Main street will intersect such line; thence west on said line, continued on south side of Main street, to where it intersects the east line of the original town plat; thence south along said east line to the southeast corner of the town plat; thence west on said south line to the west side of B street; thence, on the same bearing of said C street, south to the center of the first slough at the south side of the town; thence south along the center of said slough to a point where a line continued from the original town plat, continued south

Boundaries.

Message from the City Manager

June 25, 2019

Honorable Mayor and Members of the City Council

Subject: Fiscal Year 2019-2020 Annual Operating Budget

Attached for your consideration is the Proposed Annual Operating Budget for the 2019-2020 fiscal year (FY). The General Fund portion of this budget anticipates having a year-end reserve in excess of \$690,000. This amount is 30% of total General Fund expenses, meeting the Council's fiscally responsible goal of 25% of operating expenses. In addition, a Contingent Transaction Tax reserve totaling \$1,000,000 has been set aside pending clarification of the appropriate allocation of this tax. The levels of service to the citizens of Wheatland will remain the same as last year. This budget includes funding to provide a 3.5% increase in either salaries or benefits to all employees. This increase is a placeholder as the City has not reached an agreement for a successor memorandum of understanding with any of the employee units.

The FY 2019-2020 budget maintains a basic Operating & Maintenance program at the level experienced by the City for the past five years. Economic indicators are mixed in the prediction of development activity. We do not anticipate any significant building activity occurring this coming fiscal year.

Revenues

General Fund revenues are projected to be down slightly from projected FY 2018-2019 revenues. This is due primarily to excess transactions tax received in FY 2018-2019 (\$200,000) and a one-time reimbursement in FY 2018-2019 from PARSAC (\$51,284).

When adjusted for the items listed above, General Fund revenue is projected to increase 3% over FY 2018-2019 projections. Property tax revenue is projected to increase 4% based on recent historical averages. Sales tax revenue (sales tax and transactions tax) is projected to increase 3% based on California Department of Tax and Fee Administration forecasts. We are assuming a 4% increase in Franchise Tax revenue and continued receipt of Supplemental Law Enforcement Services Funds (SLESF).

Personnel

This budget maintains the level of sworn staffing for police protection services at six officers, one sergeant, and the chief. The budget also reflects four reserve officer positions working variable hours. The Police Administrative Assistant position will be reduced to .90 FTE and a .40 FTE will be added to perform code enforcement. The Administrative Department will be adding a .40 FTE to assist the City Clerk and Finance Departments.

Capital Outlay

Hooper Street improvements that began in FY 2018-2019 will continue into FY 2019-2020. The total projected cost of \$392,700 will be paid from the Street Maintenance Fund (Gas Tax) and the Transportation Development Act (TDA) funds (\$318,000 in FY 2018-2019 and \$54,900 in FY 2019-2020). The General Fund capital expense of \$65,000 will replace an aging police vehicle. The City's cost to repair the collapsed Malone culvert has been estimated at \$300,000. This amount has been transferred from the General Fund to the Malone Culvert Capital Project Fund in FY 2018-2019. The City may receive reimbursement for this project. Reimbursement received will be put in the General Fund reserves. The City has applied for three large grants for park, water system and transportation improvements. Project details will be brought to Council upon approval notification.

Enterprise Funds

Revenues in the City's Water Fund will cover operating costs due to an adjustment in customer utility rates. While operating revenues and expenses have stabilized, there is still a lack of adequate reserves to pay for necessary future infrastructure maintenance and replacement. The City's Wastewater Fund will continue to see a decline in Net

Position and there are no reserves to pay for future infrastructure maintenance and replacement. It is anticipated that the Wastewater Fund Net Position will increase in future years as approved rate increases take effect.

Conclusion

Our City is committed to strong fiscal stewardship, transparency and accountability over taxpayer dollars. Working together, the City Council and City staff ensure our budget and financial policies reflect spending consistent with the community's priorities.

Through prudent fiscal control, the City of Wheatland continues to maintain essential quality of life services to its citizens at an acceptable level while maintaining a General Fund reserve that meets the Council's fiscally prudent target amount of 25% of General Fund expenses. However, General Fund revenues are still subject to many underfunded state mandates and decisions made at the State and Federal level that could have significant negative impacts. Water and Wastewater cash reserves are limited and are not sufficient to pay for necessary infrastructure needs. This proposed budget reflects prudent fiscal control for the coming year.

Respectfully submitted,

Jim Goodwin

Jim Goodwin, City Manager

RESOLUTION NO. XX-19

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WHEATLAND ADOPTING THE ANNUAL BUDGET, CONTROL POLICIES AND APPROPRIATIONS LIMIT FOR FISCAL YEAR 2019-2020

WHEREAS, the City of Wheatland's Proposed Budget for fiscal year 2019-2020 reflects the financial plan necessary to meet the City's and the public's needs in the coming year; and,

WHEREAS, the City Council of the City of Wheatland recognizes the need to continue to implement and enforce fiscally responsible budget control policies, while maintaining essential services valued by the public.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Wheatland as follows:

1. That the foregoing statements are true and correct.
2. That the City of Wheatland's 2019-2020 proposed budget is hereby adopted as the City's operating budget for fiscal year 2019-2020.
3. That the following sums of money are hereby appropriated from the revenue of the City of Wheatland for activities of the City during the 2019-2020 fiscal year. These amounts include capital projects totaling \$119,900.

General Fund	\$x,xxx,xxx
Special Revenue Funds	xxx,xxx
Enterprise Funds	x,xxx,xxx
Total Budget	\$x,xxx,xxx

4. That the City will strive to maintain a balanced budget during fiscal year 2019-2020. Balanced budget is defined as:
 - a. Operating revenues should equal or exceed operating expenditures and debt service obligations.
 - b. Ending fund balances (or working capital in the enterprise funds) should meet or exceed minimum levels. For the general, water and wastewater funds, the goal for fiscal year 2019-2020 is established at 25% of operating expenditures.
 - c. Expenditures can exceed revenues in a given year only when beginning fund resources are used to fund capital improvements or other "one-time," non-recurring expenditures.
5. The City Council may amend the budget at any time after its adoption by a majority vote of the Council members.
6. The City will prepare and issue interim financial reports on the City's fiscal condition to the City Council and staff as may be required or prudent.
7. Each City department manager is charged with monitoring budgets that are under his/her responsibilities and controlling and limiting costs to stay within adopted budget amounts. Expenditures may not legally exceed appropriations at the fund level, which is the legal level of control. Supplemental appropriations that increase budgeted appropriations (applies to all funds except the General Fund) may be used during the fiscal year. If for some reason City service levels cannot be maintained utilizing the adopted budget amounts, a budget amendment proposal to the City Council will be requested prior to a department manager exceeding the original adopted budget amount.
8. Interfund Transfers and Loans. The City has established various special revenue, capital project and agency funds to account for revenues and deposits whose use is restricted to certain activities. Each fund exists as a separate accounting entity from other funds, with its own revenue sources, expenditures and fund equity.

Anticipated transfers between funds for operating purposes are defined in the adopted budget and can be made by City staff in accordance with the adopted budget. These transfers are distinctly different from interfund borrowings, which are usually made for temporary cash flow reasons. From time-to-time, interfund borrowings may be needed and are approved by the City Council as follows: The Director of Finance is authorized to approve temporary interfund borrowings for cash flow purposes whenever the cash shortfall is expected to be resolved within 60 days. A common example of interfund borrowing needs under this policy is for grant programs where costs are incurred on a reimbursement basis.

Any other interfund borrowings for cash flow or other purposes require case-by-case approval by the Council.

The funding of development entitlement processes will be from deposits received in advance of the City incurring costs. Both City staff and outside consultants are charged with coordinating the funding of these tasks to assure that deposits are received prior to incurring costs.

9. Pursuant to Article XIII B of the California Constitution, the appropriations limit for the City of Wheatland for fiscal year 2019-2020 is hereby established as ~~\$x,xxx,xxx~~. The factors used to calculate the 2019-2020 appropriations limit are the percentage change in California per capita personal income of 3.85% and the percentage change in the Wheatland population of 0.32%.

PASSED AND ADOPTED by the City Council of the City of Wheatland on the 25th day of June 2019 by the following vote:

AYES:

NOES:

ABSENT:

ABSTAIN:

ATTEST:

Joe Henderson, Mayor

Lisa J. Thomason, City Clerk

BUDGET OVERVIEW

BUDGET PROCESS

The City Council establishes an annual budget for City government operations that begins with a July 1 fiscal year. Budgetary control is legally maintained at the fund level. Department heads submit budget requests to the City Manager and Finance Director. The Finance Director prepares an estimate of revenues and prepares recommendations for the next year's budget. After approval by the City Manager, the preliminary budget is presented to the City Council who may or may not make amendments. The budget is adopted by resolution by the City Council on or before June 30th in accordance with the municipal code. In developing the annual budget, City departments analyze existing service levels and potential services considering priorities and financial constraints and modify their proposed budgets accordingly. The operating budget summarizes planned expenditures and revenues for all City funds. General Fund expenditures are separated into departments that reflect the various activities paid for with General Fund revenues.

BUDGET HIGHLIGHTS

1. The City is projected to maintain a balanced General Fund. The fund balance includes a \$1,000,000 reserve in the event there are adjustments made to the City's transaction sales tax revenue by the Department of Tax and Fee Administration (Board of Equalization).
2. Property taxes are projected to increase 4%. It is not anticipated that there will be any new houses built in FY 2019-2020, however, appreciation and resales will increase the property tax base. The percentage of property tax revenue received from every dollar of property tax paid by Wheatland citizens is slightly over 17 cents (see chart below).

3. A .40 FTE Police Administrative Assistant position has been added to perform code enforcement activities and to increase cost efficiencies. Code enforcement was performed by Coastland Engineering in prior years. A .40 FTE Administrative position has been added to provide backup support to the City Clerk and Finance Department.
4. Merit and cost of living increases for eligible employees have been included in all departments.
5. Hooper Street improvements will be completed in FY 2019-2020. The project is funded from Gas Tax and TDA revenue.
6. The General Fund includes \$65,000 to replace an aging police vehicle.

COMMUNITY PROFILE

The City of Wheatland operates under a Council-Manager form of government and provides essential city services that includes public safety, public works, parks and recreation, planning services, water and wastewater services, and general administration.

The City, incorporated in 1874, is one of two incorporated cities in Yuba County. It is nestled at the northeastern edge of California's vast Sacramento Valley, 34 miles north of Sacramento, 107 miles northeast of San Francisco and 417 miles northwest of Los Angeles. With a population of more than 3,500 in a 42.2 square-mile area, Wheatland is valued by its residents for its small-town atmosphere and rural setting.

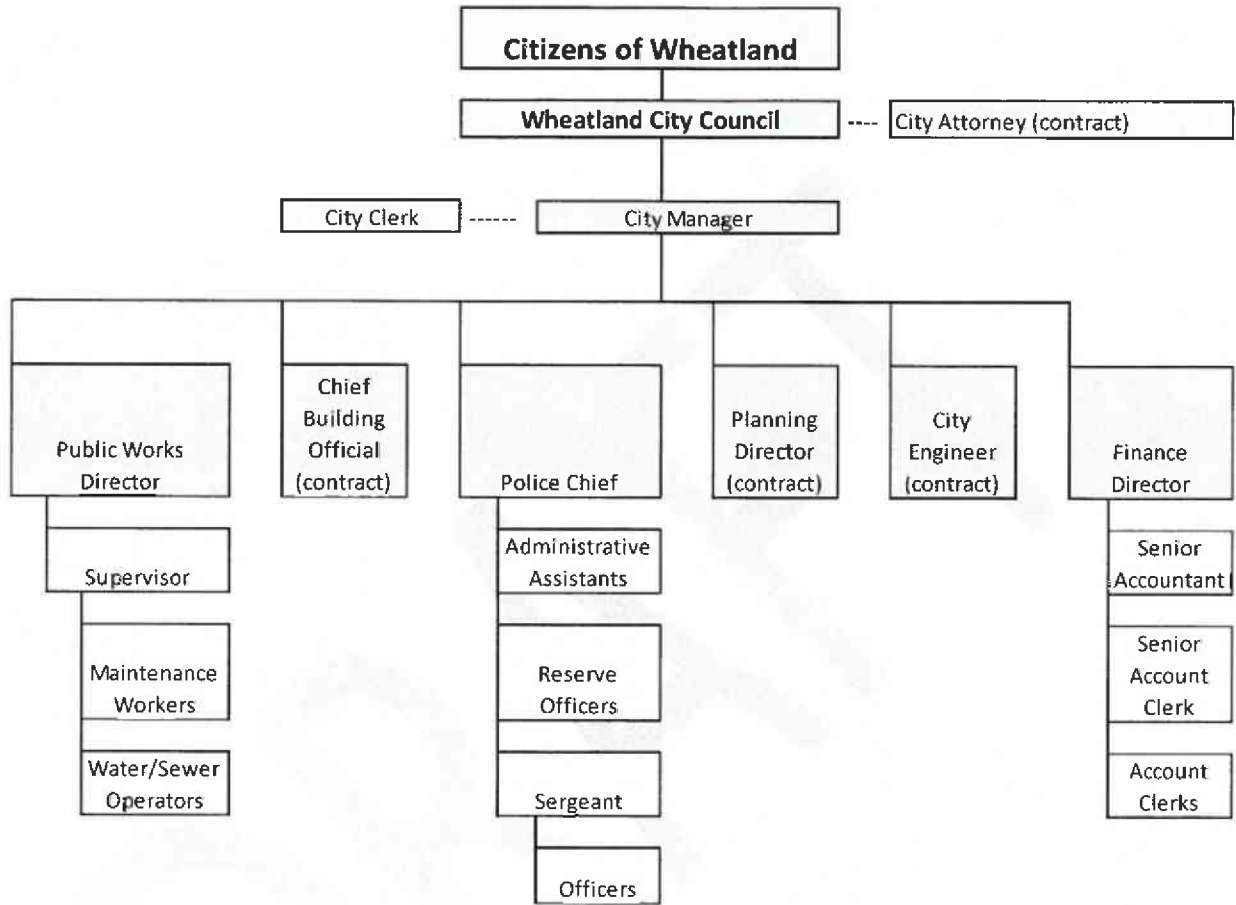

The City Council consists of five members, elected at-large to four-year overlapping terms. Council members must be residents of the City. The position of Mayor and Vice Mayor are chosen by the City Council. The Mayor conducts the Council meetings and represents the City on ceremonial occasions.

The City Council serves as the policy board for the municipality. As elected officials, the City Council provides policy direction, establishes goals, and sets priorities for the City government. In addition to serving as the policy makers for the community, the City Council is also responsible for numerous land use decisions within its borders in accordance with the General Plan and the Wheatland Municipal Code. The City Council appoints the City Manager, City Attorney, and all members of advisory boards and commissions.

CITY OF WHEATLAND
Fiscal Year 2019-2020
All Funds Summary

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Wheatland, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related requirements. The City's funds are in the following five categories: General Fund, Special Revenue Funds, Special Revenue Impact Funds, Enterprise Funds, and Capital Project Funds.

	Estimated July 1, 2019 Fund Balance	Revenues	Operating Expenses	Transfers Out	Capital Expenses	Estimated June 30, 2020 Fund Balance

GENERAL FUND

The General Fund is the primary operating fund for the City. The General Fund pays for many of the critical services valued by residents including police, fire, public works, and parks. Community Development and Building Inspection services are funded through permit fees, while park user fees help offset the operational costs of maintaining the City's parks and community center. The majority of the remainder of services included in the General Fund are funded through tax revenues. General Fund revenues are generally considered unrestricted and are allocated by the City Council through this budget. A complete list of General Fund revenues can be found on page 15 of this budget.

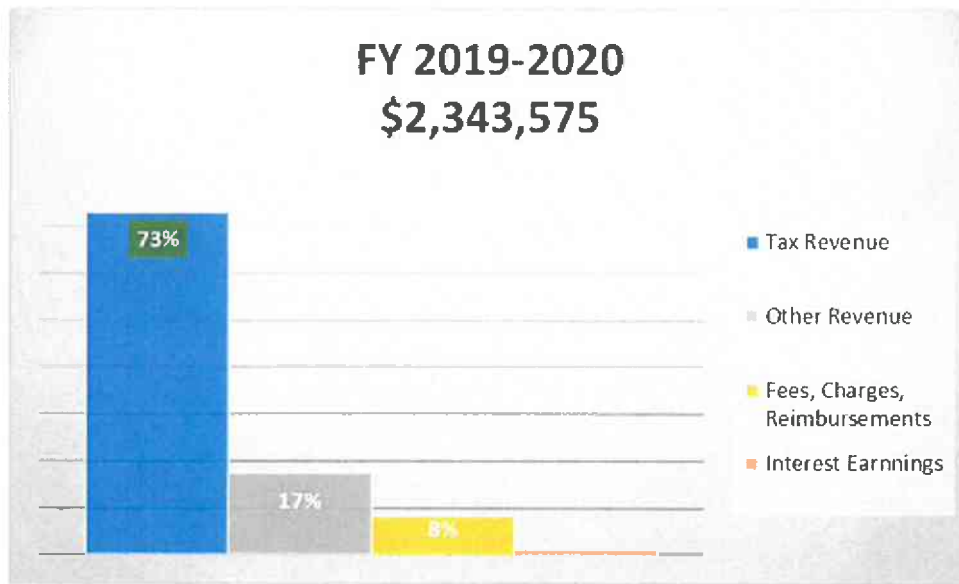

General Fund expenses are accounted for in Departments. A complete list of General Fund Departments can be found beginning on page 16. General Fund expenses include a transfer of money to the Street Maintenance Fund (Gas Tax) to help augment the costs of maintaining the City's streets and roads. The General Fund also transfers money to the City's two Landscape and Lighting District Funds to pay for services and/or improvements that provide a general benefit to the City.

GENERAL FUND REVENUE

TAX REVENUE

Property Tax

The portion of property tax collected by Yuba County and remitted to the City. Includes real property, personal property and supplemental taxes. A 4% increase over prior year is projected based on resale activity and increased assessed valuation.

Property Tax in Lieu of MVLF (Motor Vehicle License Fee)

Prior to 2004, cities and counties received a portion of the tax assessed on motor vehicles. The State now allocates an additional share of property tax to cities and counties to replace the motor vehicle tax. A 4% increase over prior year is projected.

Sales Tax

The City's 1% allocation of the 7.75% Bradley Burns Sales Tax collected by retail outlets within the City limits. Revenue for 2019-2020 is projected to increase approximately 3% based on state-wide projections.

Transactions Tax

The voter approved ½% Transactions Sales Tax to maintain essential services including public safety and street repair with locally-controlled funding that cannot be taken by the state became effective April 1, 2011. Transactions Tax revenue includes sales tax collected on purchases made by Wheatland citizens outside of the City. Revenue has been projected at the same level as FY 2018-19 due to the potential reallocation of sales tax by the California Department of Tax and Fee Administration. This tax sunsets in April 2021 unless extended by voters.

Franchise Fees

Revenue received from PG&E, Comcast and Recology for the use of public streets and roadways as it relates to their business in the City. Revenues are expected to increase 4% based on historical trends.

Business License Tax

All businesses operating within the City are required to pay an annual Business License Tax. The City has 238 registered businesses in the City as of June 2019. This includes 60 businesses located within the City limits and 178 businesses located outside the City and doing business in the City. The City does not anticipate an increase in the number of businesses for FY 2019-2020.

Real Property Transfer Tax

A tax imposed on the transfer of title of real property within the City. The rate is .275 per \$500 of sales value. No increase in the number of home sales is anticipated.

Excise Tax

A tax approved by the voters of Wheatland in November 2004. This one-time tax is 1% of the value of all new construction in the City. It is charged at issuance of a building permit.

FEES, CHARGES, AND REIMBURSEMENTS

Building Permits and Plan Check

Fees collected for building inspections and plan check review. Fees are designed to cover the cost of providing services.

Encroachment Permits

An inspection fee collected when construction activity encroaches on the City's right-of-ways.

FOG (Fats, Oil, and Grease) Permits

Fees collected for the inspection of commercial grease traps.

Planning Fees

Fees collected from prospective developers prior to having a project that is subject to our normal processing fees.

Admissions Fee – General Use

The fee imposed on ticketed entertainment functions at Bishop's Pumpkin Farm. This is sixty percent of the total Admissions Fee collected and may be designated for any City use. By agreement between the City and Bishop's Pumpkin Farm, forty percent of the total Admissions Fee collected is set aside in a separate fund to be used for projects agreed upon by the City and Bishop's.

Fines

The portion of court and traffic fines imposed by the State that are remitted to the City.

Police Miscellaneous Fees

Charges for requests for copies of police reports. Includes training reimbursements from PARSAC, the City's insurance carrier.

POST Training Reimbursement

Police Officer Standards and Training reimbursement from the State for certain training completed by the City's Police personnel.

Proposition 172

State imposed ½ cent sales tax allocated to cities and counties to offset a shift of property tax revenues in 1992. The tax is dedicated to local public safety.

Vehicle Abatement

Revenue received through the State's Abandoned Vehicle Abatement Program as administered by Yuba County. A \$1 fee is collected each time a vehicle is registered in the County and the revenue is used to offset the cost to remove vehicles that are abandoned or otherwise inoperable within the City right-of-way.

Motor Vehicle in Lieu

A tax on motor vehicles. This tax has been permanently reduced by the State.

Grant Revenue

In FY 2016-2017, the City received a Sacramento Area Council of Governments (SACOG) Climate Action Plan grant to prepare a plan consistent with the SACOG Blueprint Program. Work on this grant continued into FY 2018-2019. The City is actively seeking grant revenue for FY 2019-2020. If received, it will be accounted for in a separate fund.

Police Reimbursement

The City is reimbursed for the costs of providing security services and traffic control services for special events.

Rents from City Property

Lease revenue received from three communications companies for space used for cell phone antennas.

Community Center and Parks Rent

Rental fees for the public use of the Community Center and parks facilities.

Tow / Impound

Fees charged to recover a vehicle that has been impounded.

Miscellaneous Income

Donations received by the City earmarked for General Fund services such as Police or Parks and for small amounts that do not fall within other revenue categories.

INTEREST EARNINGS

Interest

The City invests idle cash in accordance with an annually adopted investment policy. All City money is pooled for investment purposes with earnings allocated to each fund on a proportional basis.

OTHER REVENUE

General Fund Cost Allocation

The General Fund provides administrative support to various other funds of the City. The cost to provide the support is allocated to the other funds based on their proportionate share.

Recovery of Labor and Benefits

Reimbursement for services provided by City staff to other jurisdictions.

Transfer In

The amount transferred from the Supplemental Law Enforcement Services (SLES) Fund to the General Fund to partially fund the cost of police services. The SLES Fund receives revenue from the State Citizens Option for Public Safety (COPS) based on population.

GENERAL FUND EXPENSES

General Fund expenses are accounted for in the following departments:

Administration: City Council, Administration, Finance

Community Development: Community Development, Building Inspections

Public Safety: Police, Fire

Public Works: Public Works, Parks, Transfers to Street Maintenance and Landscape and Lighting Districts*

Capital Items: The General Fund will provide funding to replace an aging police vehicle

*Transfer to Street Maintenance (Gas Tax) Fund - Each year, the General Fund transfers money to the Street Maintenance (Gas Tax) Fund to augment the funds available for street and road maintenance and repair.

*Transfer to Landscape and Lighting Districts - Each year, the General Fund transfers money to the City's two Landscape and Lighting Districts to pay for services and/or improvements that provide a general benefit to the City.

General Fund
City Council

The City Council is the elected policy-making body for the City of Wheatland. It is comprised of five members elected at-large who serve four-year overlapping terms. The Council members receive a monthly stipend for their services. The Mayor and Vice Mayor are elected by the City Council from among its members. Expenses include the annual cost of membership in the League of California Cities.

Administration

Administration accounts for City Manager and City Clerk costs. The City Manager is responsible for implementing the policy direction of the City Council, enforcing all laws and ordinances enacted by the City, and managing all personnel and contractors providing services to the citizens of Wheatland. The City Clerk serves as a liaison and primary point of contact for the City Council, City departments and the public regarding the legislative history and operations of the City. The City Clerk is the local official for elections, the Political Reform Act, the Maddy Act, the Public Records Act, and the Brown Act. Before and after the City Council takes action, the City Clerk ensures that actions relating to, but not limited to, Agendas, Ordinances, Resolutions, Minutes, and Agreements are in compliance with all Federal, State and local statutes and that all actions are properly executed, recorded and filed. The City Clerk is responsible for maintaining the official records of the City. The City Clerk maintains custody of and affixes the City Seal to legal documents and administers the Oath of Office to newly elected Council members and appointed Commissioners. Administration Department expenses include legal services provided under contract by Bartkiewicz, Kronick & Shanahan and the General Fund portion of liability insurance as provided by PARSAC (an insurance pool for local government agencies in California).

SPECIAL REVENUE FUNDS

Special Revenue Funds account for the proceeds of specific revenue sources (other than trusts or major capital projects) that are legally restricted to expenditures for a specific purpose. The City's Special Revenue Funds include:

Street Maintenance (Gas Tax)

Transportation Development Act (TDA)

Supplemental Law Enforcement (SLES)

Community Development Block Grants (CDBG)

Economic Development

Wheatland Ranch/Ryan Town Landscape and Lighting District (LLD)

Park Place Landscape and Lighting District (LLD)

Wheatland Public Services Community Facilities District 2015-1 (Caliterra Ranch)

Wheatland Public Services Community Facilities District 2015-2 (Heritage Oaks East Estates Facilities)

Pumpkin Farm Joint Admission

Wheatland Community Garden

Heritage Oaks West

Heritage Oaks East

General Plan Update Surcharge Fee

CITY OF WHEATLAND
Fiscal Year 2019-2020
Street Maintenance (Gas Tax)

The Street Maintenance (Gas Tax) Fund accounts for costs associated with the City's Public Works activities to preserve and maintain the road system. Activities include patching of road surfaces, maintaining signage, cleaning culverts and drains, and mowing and tree trimming within the street right-of-way. Gas Tax revenue is derived from a per gallon excise tax imposed by the State and passed through to the City. Yuba County Measure D revenue is a fifteen cent per ton charge on mined aggregate and sand and manufactured asphalt concrete imposed on businesses engaged in the mining of sand and gravel from land within Yuba County. The Road Repair and Accountability Act of 2017 (SB1) revenue is derived from a per gallon of gasoline tax and increased vehicle registration fees. SB1 revenue is collected by the State and remitted to the City. The City makes up any annual deficit for street maintenance with General Fund resources. Utility costs are for street lighting. Engineering services are provided under contract with Coastland Engineering. Contract services include tree trimming and underground service alert. Capital outlay in FY 2019-2020 is for the Hooper Street project.

Fiscal Year 2019-2020
Transportation Development Act

The TDA Fund accounts for revenues and expenses associated with street construction and street maintenance costs. TDA money is allocated from the California sales tax. The Sacramento Area Council of Governments is the designated regional transportation planning agency responsible for administering the TDA funds for the counties of Sacramento, Sutter, Yolo and Yuba. The TDA provides funding to local cities and counties for transit operations, capital projects, and for local street and roadway projects and bicycle and pedestrian projects.

Supplemental Law Enforcement Fund (SLES)

SLES funds are received from the State's COPS program and are allocated by the State Controller to counties to a SLES fund. The County allocates the money to the City based on a set formula. The use of SLES is limited to front-line municipal police activities. Revenues are transferred to the General Fund to offset the cost of police services.

Community Development Block Grants

In 1985 and 1990 the City received US Department of Housing and Urban Development (HUD) funds to provide loans to low income homeowners whose home needed repair. Seventeen (17) loans were issued to Wheatland homeowners ranging from \$7,788 to \$40,085. Payment on the loans is due at maturity (20 years or 50 years depending on the loan) or when there is a change of ownership. As of June 30, 2019, \$84,106 is due and payable. The City has notified the property owners and will take the necessary actions to seek repayment of the loans. The City is eligible to keep \$35,000 per year in loan repayments. If the City receives more than \$35,000, all the funds must be remitted to HUD or the Program Income must be expended by using a Revolving Loan Account. The total fund balance amount consists of the amount due for the outstanding loans.

Economic Development

The City of Wheatland is committed to be a forward-thinking city that values its small-town feel and its agricultural historical heritage. The Economic Development Fund was created in FY 2019 to account for expenses associated with the creation and enhancement of job growth and the promotion of business development and stability. Revenues are derived from an allocation of property tax revenue from the Yuba Water Agency and a Community Partnership fee received from the City's waste hauler, Recology. For FY 2019-2020, the City will receive a \$100,000 grant from SACOG to prepare an Employment Uses Feasibility Analysis.

CITY OF WHEATLAND
Fiscal Year 2019-2020
Heritage Oaks West

In June 2007, a development agreement was entered into between the City and DeValentine Family Partnership ("developer") to facilitate the creation of a physical environment that will conform to and complement the goals of the City, protect natural resources from adverse impacts, and assist in implementing the goals of the City's General Plan. The property, located in the southwest area of the City, is called Heritage Oaks West. City costs associated with development of the property such as processing, review and action on permits or other entitlements were reimbursed by the developer. The project was suspended because of the Great Recession. The balance remaining in the fund, slightly over \$3,000 will be applied to costs incurred when the project resumes. It is not anticipated that there will be activity on the project in FY 2019-2020.

CITY OF WHEATLAND
Fiscal Year 2019-2020
General Plan Update Surcharge

In January 2007, the City Council adopted Resolution 01-07 adopting a General Plan Update Surcharge Fee.

This fund accounts for the per acre fee levied on owners of undeveloped land applying for a development project entitlement from the City. The fees will be used to offset the costs for a General Plan update. In FY 2019-2020, one time funding from the State will be used for planning purposes.

SPECIAL REVENUE FUNDS IMPACT FUNDS

In 2007, the City Council adopted Ordinance 400 which imposed development impact fees to provide the public infrastructure, improvements and facilities that are necessary and appropriate to mitigate the negative effects of new development projects. In May 2013, the City Council adopted Ordinance 448 which added the Bear River Impact fee. All the City's Impact Funds are listed below except for the Water Distribution Impact Fund, the Sewer Collection Impact Fund, and the Wastewater Treat Impact Fund which are included in the Enterprise section of this budget beginning on page 53. A complete list of projects to be funded by impact fees can be found in the City's Master Facilities Plan (Jan 2007) available in the City Clerk's office.

Bear River Impact Fund

Regional Bypass Impact Fund

Road Circulation Impact Fund

City Hall Facilities Impact Fund

Vehicles and Equipment Impact Fund

Public Works Facilities Impact Fund

Law Enforcement Facilities Impact Fund

Fire Facilities Impact Fund

Parkland Facilities Impact Fund

Public Meeting Facilities Impact Fund

Storm Drainage Impact Fund

CITY OF WHEATLAND
Fiscal Year 2019-2020
Bear River Development Fund

In 2010, improvements to the Bear River levee were completed. Funding for the improvements was provided by a State grant, landowner advance funding and City advance funding. Because the project provided benefits to lands in the Wheatland area beyond the landowner's properties, the City agreed, in advance funding and reimbursement agreements, to impose a Bear River levee Project Development Fee. The purpose of the fee is to reimburse the City's advance funding for the project and the landowner's excess share of advance funding for the project. As development occurs, the fees collected will be allocated to this fund to eliminate the deficit and to the Sewer Impact Fund to pay off loans made to developers to complete the levee improvements. Remaining fees collected will be used to reimburse the landowners that provided funding benefitting lands beyond their property.

ENTERPRISE FUNDS

Enterprise funds are used for services provided to the public on a user charge basis, similar to the operation of a commercial enterprise. The City has two enterprise funds, Water and Wastewater. Three Special Revenue funds; the Water Distribution Impact Fund, the Sewer Collection Impact Fund, and the Wastewater Treatment Impact Fund, provide a funding source for future water and wastewater facilities expansion.

Water Fund

Wastewater Fund

IMPACT FUNDS RELATED TO ENTERPRISE FUNDS

In 2007, the City County adopted Ordinance 400 which imposed development impact fees to provide the public infrastructure, improvements and facilities that are necessary and appropriate to mitigate the negative effects of new development projects. The following Impact Funds relate specifically to water and wastewater projects. Other impact funds can be found beginning on page 41 of this budget. A complete list of projects to be funded by impact fees can be found in the City's Master Facilities Plan (Jan 2007) available in the City Clerk's office.

Water Distribution Fund

Sewer Collection Impact Fund

Wastewater Treatment Impact Fund

CITY OF WHEATLAND
Fiscal Year 2019-2020
Water

The Water Fund accounts for the revenues and expenses of operating the City's water system. The City's water supply comes from six groundwater sources (wells). The City's water system consists of wells and pumping systems, chemical treatment systems, storage tanks and a distribution system of lines and meters. Monthly water charges to customers pays the cost of providing water service which includes operation, maintenance, repair and replacement of facilities and repayment of two USDA loans.

CITY OF WHEATLAND
Fiscal Year 2019-2020
Sewer Collection Impact Fee

This fund accounts for the fees collected on new development to construct or reconstruct sanitary sewer collection lines and remove five existing lift stations no longer needed. In 2006 through 2008, the City received \$7,007,000 in prepaid Sewer Collection Impact fees from three developers in exchange for sewer credits on future development. In 2009, the City entered into reimbursement agreements totaling \$2,492,067 with two developers. The money was used to pay for a portion of the Bear River Levee improvements. A portion of any future single-family unit building permits obtained by the two developers will be used to reimburse the Sewer Collection Impact Fund along with interest that has accrued since 2009.

In addition to the Bear River Levee reimbursement agreements, the unpaid share of the Highway 65/Main Street signal (\$171,108) is due from the owners of property known as Roddan Ranch. In FY 2019-2020 the City will participate in a study to determine the feasibility of connecting to a regional sewer collection plant.

CAPITAL EXPENDITURES

Capital projects are generally expenditures for equipment or buildings that have a useful life of greater than 3 years and a cost greater than \$5,000 or for large road maintenance projects. The chart below is a summary of the Capital projects included in the FY 2019-2020 budget that are fully funded. Also included is a list of projects that are pending application approval from the agency providing the funding. Upon approval from the funding agency, these projects will be brought to Council for approval and budget amendment.

Capital Projects	Fiscal Year 2018-2019 Allocation	Fiscal Year 2019-2020 Allocation	Source of Funds	Department
Hooper Street - reconfigure and resurface Hooper Street in front of Wheatland Elementary School at Hwy 65 to improve public safety for pedestrian and vehicular traffic and repair severely failed portions of the pavement	50,000 100,000 168,000	- 40,000 14,900	Wheatland School District Gas Tax TDA	Public Works
