

CITY OF WHEATLAND

CITY COUNCIL MEETING STAFF REPORT

August 27, 2019

SUBJECT: Master Fee Schedule Effective July 1, 2019

PREPARED BY: Susan Mahoney, Finance Director

Recommendation

Adopt Resolution 26-19 establishing the Master Fee Schedule as of July 1, 2019.

Background/Discussion

A municipality is authorized to establish reasonable fees for services rendered, provided that those fees do not exceed the estimated reasonable cost of providing the service for which the fee is charged. The City of Wheatland has established fees by authority of the Municipal Code, City Ordinances, City Resolutions, City development/funding agreements, and State and Federal statute.

In government, the difference between a fee and a tax is that a fee is paid by an individual for a specific good or service rendered by the government that benefits only that individual, while a tax has only a general connection to the benefits received for an individual.

The attached Master Fee Schedule ("Schedule") has been updated to reflect the fees in place as of July 1, 2019. Building Fees and Garbage Fees have been removed from the Schedule since their fees are now set by contract with Yuba County and Recology respectfully. The Schedule will be posted on the City's website making it easier for citizens, staff, and interested parties to understand and access the City's various fees. The attached redlined version of the Schedule adopted August 2018 shows the changes that have been made to the fee amounts and descriptions.

Certain fees are automatically increased each year based on either the change in the consumer price index (CPI) or the change in the engineering news record construction cost index (ENR). Depending on the fee, the increase is either the beginning of the fiscal year (July 1), the beginning of the calendar year (January 1), or on October 1.

The attached Resolution 26-19 reflects fees in effect on July 1, 2019 and directs staff to adjust the following fees on the dates indicated per previously adopted resolutions and ordinances:

- Water and Sewer rates (Oct 1, 2019)
- Fire Protection Facilities fee (Jan 1, 2020)
- Impact fees (Jan 1, 2020)
- Planning and Engineering fees (Jan 1, 2020)

Other fees are updated as needed to ensure that fees charged are sufficient to recover the cost of services provided. These fee adjustments will be presented for Council approval as necessary. The FOG (fats, oil, grease) fee and the Sign fees were increased on July 1, 2019 per resolutions 21-09 and 16-10.

The chart below lists the general classifications of City fees, the method for increasing the fee, and the date the fee is increased:

	Method for Determining a Fee Increase	Automatic Jan 1 Each Year Increase	Automatic Jul 1 Each Year Increase	Automatic Oct 1 Each Year Increase
