Motion carried.

REGULAR CALENDAR

1) G. Greeson presented discussion of authorizing the Mayor to sign a coalition letter regarding the Oroville Dam crisis on behalf of the City Council. In the aftermath of the February 12, 2017 evacuation of 180,000 people from Butte, Sutter, and Yuba counties, local jurisdiction have been working to update emergency plans and provide additional information to the public. During last month's community forum, many of the questions asked by residents were about actions taken by DWR at Lake Oroville. In an effort to consolidate the various questions from the community and concerns from local governing bodies, Assemblyman James Gallagher has developed a coalition letter directed at the California Department of Water Resources. The letter points to the vulnerability of communities downstream from the Oroville Dam and outlines eight areas of particular concern. The letter requests responses to each of the listed concerns. Greeson provided a list of entities that have approve participation in the coalition letter.

CLOSED SESSION

City Council appointed a new Finance Director for the City and approved related employment contract.
