

RESOLUTION NO. 24-19

RESOLUTION AUTHORIZING THE CITY MANAGER TO INFORMALLY BID THE MALONE AVENUE CULVERT REPLACEMENT PROJECT PHASE 2

WHEREAS, in March 2018, the culvert structure (“Malone Culvert”) that carries Malone Avenue over South Grasshopper Slough (formerly Baxter Slough) catastrophically failed and that portion of Malone Avenue in the vicinity of the culvert was closed by the City to ensure public safety; and

WHEREAS, the City, various utility owners and property owners rely on the Malone Culvert to access their properties; and

WHEREAS, the City’s wastewater facilities and surrounding properties may incur damage, and public safety may be compromised if the failed culvert is allowed to remain in-place; and

WHEREAS, the City of Wheatland has completed removal of the culvert under separate actions, and activities for replacement of the culvert including the surveying, design and obtaining environmental permits; and

WHEREAS, City staff is pursuing funding from outside of the City budget to pay for the project but has not yet obtained outside funding; and

WHEREAS, the City’s Fiscal Year 2019-2020 Budget includes construction of the Malone Avenue Culvert Replacement Project Phase 2; and

WHEREAS, pursuant to the California Uniform Public Construction Cost Accounting Act public projects in the amount of \$200,000 or less may use the informal bidding procedures set forth in Section 22032(b) of the Act.

NOW, THEREFORE IT IS HEREBY RESOLVED, ORDERED AND FOUND by the City Council of City of Wheatland, State of California, the City council approves the plans and specifications prepared for the Malone Avenue Culvert Replacement Project Phase 2 and authorizes the City Engineer to informally solicit bids for the procurement of materials and for the construction of the project.

PASSED AND ADOPTED by the City Council of City of Wheatland, State of California this 9th day of July 2019, by the following vote:

AYES:

NOES:
