RE: City of Wheatland – Safe Routes to School Improvement Project

Dear Resident,

The City of Wheatland will be performing sidewalk, curb, gutter, and roadway improvements in the coming weeks in the area. The project is entirely funded by a Federal grant under the Safe Routes to School program. The project will be constructing sidewalks on portions Wheatland Road, E Street, 3rd Street, 2nd Street, 1st Street, Hooper Street, and Highway 65.

Construction will temporarily impede travel and direct access to property during construction and concrete curing periods. Expect some delays and please choose alternate routes. The contractor will also be placing “No Parking” signs along the street at least 48 hours in advance of the work being started. Please look for these on your roadway. Construction throughout the area is anticipated into July.

If you have any questions, please contact the Project Manager, Marc Fernandez at (530) 615-0374.

Dane H. Schilling, PE
City Engineer
City of Wheatland

Cc: Greg Greeson, City Manager
Marc Fernandez, Assistant Engineer
