

Attention Residents:

Should you need assistance during the expected storm this evening, please call:

Wheatland Public Works Hotline at (530) 633-0926 (Monday – Thursday after 4:30 pm, and Friday – Sunday, day or night).

Wheatland residents can report a public safety issue after hours and weekends, like:

1. sewage backing up
2. loss of drinking water
3. a very large leak in a street or from a hydrant
4. hazardous conditions in a park or street
  - a. large hole (in street or park)
  - b. missing stop sign
  - c. flooding
  - d. fallen tree hazard

For emergencies, please call 911.

For electrical and gas hazards, please call PG&E at (800) 743-5000.

Wheatland Fire Authority: 911 or (530) 633-0861.

Please keep safe.
